Course Two

**Date:** Sunday 27 September

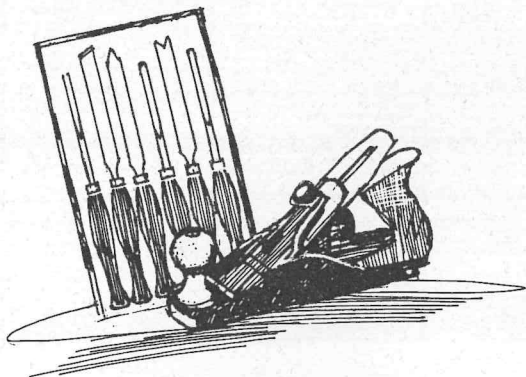

Course Three

**Date:** Monday 28 September

**Cost:** \$95 per person per course **Instructor:** Gordon Ward

Three one-day courses to enjoy the experience of turning wood into useful items or gifts. You'll be surprised at what "turns" out. Participants will take home at least two finished items.

Note: Accommodation may be limited this weekend.

## Forest Heritage Festival

**Date:** Friday 2 October to Sunday 4 October

Come on down and share in the celebrations. The festival starts on Friday evening with our Artisans of the Forest Exhibition. Saturday and Sunday are a celebration of forest activity, including food stalls, entertainment and plenty of wood working action. It would be fantastic to catch up with all those people who have attended workshops over the years. Normal entry fees apply.

## 10 Bush Furniture

**Date:** Saturday & Sunday 10–11 October

**Cost:** \$180 **Instructor:** Pieter Baarspul

Don't burn it! Come and let Pieter show you how to transform would-be firewood into beautiful, functional bush furniture.

## 11 Veneering

**Date:** Saturday & Sunday 17–18 October

**Cost:** \$180 **Instructor:** Malcolm Harris

Make a beautiful coffee table with steam-bent legs whilst exploring the range of veneering processes and pattern matching techniques of this historical, conservative craft.

## 12 Pyrography (Hot Poker work!)

**Date:** Saturday 24 October

**Cost:** \$90 **Instructor:** Steve Makin

This one-day course introduces participants to the basics of pyrography and be able to embellish some of their own items (turned items, carvings, furniture) or create an artistic piece from scratch.

## 13 Catch up Day!

**Date:** Sunday 25 October

**Cost:** \$20

These are for participants who have completed a previous workshop but may not have completed their project. We'll supply an "all rounder" who will supervise participants in completing their projects.

## 14 Joinery for Fine Woodwork 2

**Date:** Saturday & Sunday 31 Oct–1 November

**Cost:** \$180 **Instructor:** John Fitzgerald

Learn mortice and tenon joints, rebating and shaping to make a frame; e.g. mirror, pinup board, picture, etc. At the same time learn to use and maintain hand tools.

Participants should note that this workshop is not linked to **Joinery 1**.

## 15 Routering

**Date:** Saturday & Sunday 7–8 November

**Cost:** \$180 **Instructor:** Tom O'Donnell

Improve your productivity with the router. Tom will lead participants through a series of demonstrations and activities, which include inserting hinges and catches, mortice and tenon joins, table/chair legs and backs, and much more.

## 16 Shoji Screens

**Date:** Saturday & Sunday 14–15 November

**Cost:** \$180 **Instructor:** Phillippe Brooks

Make a shoji screen suitable for lamps, windows and doors using traditional Japanese techniques and tools. Phillippe has lived and worked in Japan and is keen to pass on his knowledge to work shop participants.

## 17 Make A Guitar

**Date:** Saturdays & Sundays 21, 22, 28, 29 November (4-day workshop)

**Cost:** \$360 **Instructor:** Rene Raulin

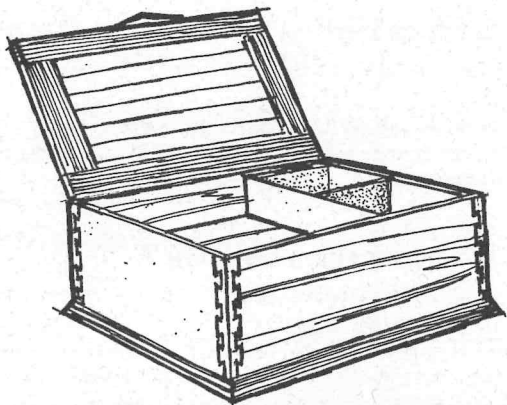

Amazing to think that in four days you will make a small six-string guitar from beautiful Australian native timbers. Learn the design and making principles of stringed instruments. This course is suitable to both the woodworker and the musician.

## 18 Box Making

**Date:** Saturday & Sunday 5–6 December

**Cost:** \$180 **Instructor:** Simon de Serville

The wooden box has endured the test of time. Join Simon in making an elegant hardwood box that will have many purposes and look sensational.

## 18 Woodturning “Advanced”

**Date:** Saturday & Sunday 5–6 December

**Cost:** \$190 **Instructor:** Gordon Ward

Push your skills to the limit. Practise deep hollowing, “knots” and embellishment of bowls with a master turner.

See us at the WA Wood Show Friday to Sunday 14–16 August at the Robinson Pavilion, Claremont Showgrounds. Many of the projects from the above workshops will be on display.

## Enrolment Details

Registration is first-come, first-served. Full payment must accompany registration forms. Confirmation of course enrolment will be forwarded to you within 21 days.

Minimum age for participants is 16 years.

Materials and machinery required for the workshops are supplied unless otherwise directed. Participants are encouraged to bring along their own tools.

Cancellation: Notification of cancellation must be given at least 21 days prior to the workshop. 14 days prior incurs a 50% penalty and 7 days prior a 100% penalty of fees.
