SUN & STARS FESTIVAL

Saturday, March 1

The Perth Observatory and Yanchep National Park have joined together to host the Sun and Stars Festival, offering people a fun-filled day of activities under the sun and a night of star-gazing through telescopes.

So come along as Yanchep National Park comes alive. Be entertained by the Southern Cross bushband, the infamous Bizircus group, the Fairies, Pixies and Pirates group and aerial waterbombing displays. Enjoy market stalls, native animals and twilight tours of Loch McNess. Festivities begin at 12.00 noon, with star-gazing beginning at 8.00pm.

Don't miss it – bring the family and a picnic or enjoy the Police Ranger's sausage sizzle, as Yanchep National Park and the Perth Observatory present the Sun and Stars Festival.
