Browse the State from your own computer!

Travel to some of the finest places in WA—explore the sights, sounds and adventure of this fascinating State.

CALM's exciting new CD-Rom, *Wild about Western Australia*, takes you to all the West's wonderful national parks. You can go to Karijini, Purnululu (Bungle Bungles), D'Entrecasteaux and Nambung . . . and to other special places such as Two Peoples Bay and the Tree Top Walk in the Valley of the Giants. They're all here, on an easy-to-use compact disc filled with colourful images and the vibrant sounds of nature.

You can call up maps, get information, use the Trip Planner.

Experience 'virtual reality' with us as you enjoy an all-round view of some of those special places—it's almost like being there!

Wild about Western Australia runs on Windows and the Macintosh.

It's great for:

- * **School projects**
- * **Planning a trip**
- * **Learning about our plants and animals**
- * **Deciding where to spend leisure time**
- * **Enjoying the sights and sounds of WA**

Available at all good bookshops and computer software outlets, at CALM's WA NAaturally Information Centre (47 Henry Street, Fremantle), or by mail order by completing the attached form.
