Conservation and Attractions

This PDF has been created for digital preservation. It may be used for research but is not suitable for other purposes. It may be superseded by a more current version or just be out-of-date and have no relevance to current situations.

Department of Conservation and Land Management, W.A.

Congratulations!

You've subscribed to **Landscape Gold Star** or **Landscape Plus**, and here are the first of many colourful, informative brochures you'll receive as part of your subscription package.

W.A.'s National Parks and Forests is a recreation guide to the State's natural attractions. Look here for information on each park's facilities and features.

The other brochures, with their brilliant colours and exquisite drawings, give you detailed information on Yanchep National Park, Devonian Reef National Parks, Nambung National Park and Cape Range National Park.

And now start looking forward to the arrival of your next **Landscape** package in June. With another issue of W.A.'s own conservation, wildlife and forests magazine, you'll get brochures of some of our north-west national parks, brochures on wildlife, and a special poster offer for **Landscape** readers only.

Department of Conservation and Land Management, W.A.

Dear Reader,

Landscape has been part of your past; make sure its part of your future. You already know that **Landscape** is inspiring for the armchair traveller, useful for children's projects, and marvellous for sending to friends and relatives interstate and overseas. But did you know that by subscribing to **Landscape** you are actively supporting conservation?

Your contribution will help fund national parks and wildlife research programs. At the same time you will have the pleasure and convenience of continuing to receive a superb full colour magazine in the mail.

You can do your bit for conservation for as little as \$10 straight subscription. Those with a taste for adventure might wish to try the **GOLD STAR** offer which includes national park brochures and maps, as well as one year's free entry into any national park in W.A.

Whatever option you choose you will receive good value. Don't miss out — subscribe now.
