

The complainant inspector must return the complaint and summons to Head Office for checking before they are returned to Crown Law.

(d) COURT OF ISSUE.

When the complaint and summons have been checked and completed the Crown Law Department will lodge them in a Court of Petty Session. Any court in W.A. may be selected although the practice is to select the court nearest to the place where the offence was committed or alternatively the court most convenient to the defendant, but there is no hard and fast rule.

(e) HEARING.

The complainant inspector will be advised of the date, time and court at which he will be required to attend and to give evidence.

FISH AT EMU POINT

Mr. W. (Bill) Swarbrick, of Emu Point, Albany, claims that the fishing at the Point is the best he has ever known. It should be a good season for anglers.

BANDING OF MUTTON BIRDS

During March, members of the W.A. Naturalists' Club, under the guidance of Mr. V.N. Serventy, will visit Carnac Island, for the purpose of banding mutton birds. While they are there, the opportunity will be taken to do some marine research.

BOTULISM IN WILD FOWL

Last month an outbreak of botulism was reported from Como and Queen's Gardens. A further outbreak has occurred at Lake Claremont.
