do	Hogan J.	do	Illegal dealing in birds	" £5

A.I.M. WILDLIFE SHOW.

From September 22-25, the Australian Inland Mission held its annual wildlife show and general exhibition in the Kalgoorlie Town Hall. In keeping with the practice of recent years, this Department entered an exhibit under the direction of Senior Inspector J. Munro. He was accompanied by the Fauna Warden, Mr. S. W. Bowler, who assisted at the Show and also carried out patrols in the Goldfields district and called on all Honorary Wardens available. Mr. Munro reported on their return to Perth that the Show was again very well attended. Great interest was shown in the Department's exhibit, which featured sharks and rays and other museum exhibition material. A collection of coloured slides on the pearling and pearl culture industries, and photographs of fish specimens, were also shown.
