

WATSNU INDEX UPDATED 1993 - DEC 2014

WATSCU INDEX

	No.	Page
What is WATSCU?	1(1)	p. 1
Australian Nature Conservation Agency Endangered Species Program funding for 1993/94	1(1)	p. 1
Australian Nature Conservation Agency Feral Pests Program 1993/94	1(1)	p. 2
Threatened ecological communities / J. Blyth	1(1)	p. 2-3
Lake Toolibin recovery plan	1(1)	p. 3-4
Gouldian Finch Recovery Team	1(1)	p. 4
Shark Bay mouse	1(1)	p. 4-5
Noisy scrub-bird	1(1)	p. 5
Swan Flora Management Program Recovery Team	1(1)	p. 5
Eucalyptus rhodantha Recovery Team	1(1)	p. 6
Stylidium coroniforme Recovery Team	1(1)	p. 6
The biology and ecology of the endangered Daviesia species in WA	1(1)	p. 7
Grevillea scapigera	1(1)	p. 7
Silky eremophila, Eremophila nivea	1(1)	p. 7-8
Rose mallee, Eucalyptus rhodantha	1(1)	p. 8
Daviesia sp. (Norseman) / A. Brown	1(1)	p. 8
Conservation of ironstone communities and their endemic plants of the Swan and Scott Coastal Plains	1(1)	
Report on a survey of the Recherche Cape barren goose, April 1993	1(1)	p. 9
Recovery Team 1993 reports	1(2)	
Matchstick banksia	1(2)	p. 1-2
Wongan triggerplant	1(2)	p. 2
Rose mallee	1(2)	p. 2
Chuditch	1(2)	p. 3
Orange-bellied and white-bellied frogs	1(2)	p. 3
Noisy scrub-bird	1(2)	p. 3-4
Numbat	1(2)	p. 4
Woylie	1(2)	p. 4-5
Shark Bay mouse	1(2)	p. 5
Western swamp tortoise	1(2)	p. 5-6
Lake Toolibin	1(2)	p. 6
The National Threatened Species Network / J.-P. Orsini	1(2)	p. 8
The night parrot : no longer presumed extinct / J. Blyth	1(2)	p. 8-10
R&I Landscape Conservation Visa Card	1(2)	p. 10
Update on threatened communities / J. Blyth	1(3)	p. 1
Golden bandicoot (or wintarru)	1(3)	p. 1
Lancelin Island skink Recovery Team report / D. Pearson	1(3)	p. 2
Western swamp tortoises go back to the wild--	1(3)	p. 2
Lake Toolibin report / J. Blyth	1(3)	p. 3
Threatened species data directory	1(3)	p. 3
Rare flora found! [Thomasia montana] / M. O'Donoghue	1(3)	p. 3
Threatened flora management program for the Geraldton district / S. Patrick	1(3)	p. 4
Visit from ANCA's wheatbelt project officer / A. Brown	1(3)	p. 5
Noisy scrub-bird	1(3)	p. 5-6
Shark Bay mouse update / P. Speldewinde	1(3)	p. 6
Bankwest Landscape Conservation Visa Card	1(3)	p. 8
Recovery Team updates [chuditch, western bristlebird, Thevenard Island mouse, woylie, matchstick banksia]	1(3)	p. 9

Keywords Rediscovery of Gilbert's potoroo / A. Burbidge	2(1)	p. 1
Threatened Ecological Communities Project update / V. English	2(1)	p. 2
Rare find in Porongurups / M. O'Donoghue	2(1)	p. 2
Recovery Team reports for 1994	2(1)	
Western Bristlebird	2(1)	p. 3
Central forest region threatened flora	2(1)	p. 3
Lancelin Island skink	2(1)	p. 3
Toolibin Lake	2(1)	p. 3
Southern forest region threatened flora	2(1)	p. 4
Wongan triggerplant	2(1)	p. 4
Orange-bellied and white-bellied frogs	2(1)	p. 4
Thevenard Island mouse	2(1)	p. 4
Western swamp tortoise	2(1)	p. 4-5
Rose mallee	2(1)	p. 5
Shark Bay mouse	2(1)	p. 5
Woylie	2(1)	p. 5-6
Matchstick banksia	2(1)	p. 6
Chuditch	2(1)	p. 6
Geraldton district threatened flora	2(1)	p. 6-7
Wyalkatchem foxglove	2(1)	p. 7
Numbat	2(1)	p. 7
Merredin district threatened flora	2(1)	p. 7-8
Noisy scrub-bird	2(1)	p. 8
Preparation and initial implementation of interim wildlife management guidelines for 19 critically threatened Western Australian plant taxa / D.	2(1)	
Papenfus	2(1)	p. 8
Dibbler research / N. Baczocha	2(1)	p. 9
Slide index : update / G. Stack	2(1)	p. 9
Albany District threatened flora management plan, implementation / A. Brown	2(1)	
Central Forest Region threatened flora management plan, writing / A. Brown	2(1)	
Possible new population of the critically threatened plant <i>Brachysema modestum</i> ms / A. Brown	2(1)	
New population of <i>Stylidium scabridum</i> and <i>Hemiandra rutilans</i> ? / M. O'Donoghue & A. Brown	2(1)	p. 10
Data directory report / H. Clift	2(1)	p. 11
Action plan, marsupials and monotremes update	2(1)	p. 11
Threatened species & communities display at Wagin / J. Blyth	2(1)	p. 13
Report of the Scientific Ranking Panel	2(2)	p. 1-2
Critically endangered Western Australian taxa	2(2)	p. 3
Identifying and listing threatened ecological communities in southwestern Australia / J. Blyth	2(2)	p. 4
Presumed extinct wildflower relocated [<i>Hemigenia exilis</i>] / M. O'Donoghue ...	2(2)	p. 4
New recovery team for the western ringtail possum!	2(2)	p. 5
Dibbler research update / N. Baczocha	2(2)	p. 5
BankWest Landscape Conservation Visa Card Trust Fund	2(2)	p. 6
South west Kimberley rock-wallabies	2(2)	p. 6
Malleefowl recovery plan	2(2)	p. 7-8
Toolibin Lake	2(2)	p. 8-9
Update on the night parrot / J. Blyth	2(2)	p. 9

Keywords Purchase of threatened ecological communities / V. English	3(1)	p. 1
Recovery team reports for 1995	3(1)	p. 2
Woylie	3(1)	p. 2
Western ringtail possum	3(1)	p. 2
Chuditch	3(1)	p. 2
Djoongari	3(1)	p. 2-3
Thevenard Island mouse	3(1)	p. 3
Numbat	3(1)	p. 3
Gilbert's potoroo	3(1)	p. 3
Noisy scrub-bird	3(1)	p. 3
Western bristlebird	3(1)	p. 4
Lancelin Island skink	3(1)	p. 4
Western swamp tortoise	3(1)	p. 4-5
Orange-bellied and white-bellied frogs	3(1)	p. 5
Toolibin Lake	3(1)	p. 5
Matchstick banksia	3(1)	p. 5
Rose mallee	3(1)	p. 5-6
Corrigin grevillea	3(1)	p. 6
Wyalkatchem foxglove	3(1)	p. 6
Wongan triggerplant	3(1)	p. 6
Albany district threatened flora recovery plan	3(1)	p. 6
Rulingia	3(1)	p. 6-7
Geraldton district threatened flora recovery plan	3(1)	p. 7
Merredin district threatened flora recovery plan	3(1)	p. 7
Central forest region threatened flora recovery plan	3(1)	p. 7-8
Southern forest region threatened flora recovery plan	3(1)	p. 8
Swan region threatened flora recovery plan	3(1)	p. 8
WATSCU data directory / H. Clift	3(1)	p. 9
Interim recovery plans for 19 critically endangered Western Australian plant taxa / A. Brown & F. Bunny	3(1)	p. 9
Back from the brink : refining the species recovery process	3(1)	p. 10
Translocations : an important process in conserving our unique native species	3(1)	
Significant find in search for two rare <i>Eremophila</i> spp. / E. Holland	3(1)	p.
Montebello renewal	3(2)	p. 1-2
New recovery team for threatened ecological community [sedgeland in Holocene dune swales] / J. Blyth	3(2)	p. 2
Second Workshop on Threatened Communities / V. English	3(2)	p. 3-4
Toolibin Lake / J. Blyth	3(2)	p. 4
Night parrots : still elusive / J. Blyth	3(2)	p. 5
Interim recovery plans (IRPs) for critically endangered taxa	3(2)	p. 5
Progress with interim recovery plans for 33 critically endangered plant species [Eucalyptus phylacis, Darwinia carnea, Grevillea maccutcheonii ms, Dryandra montana ms, Pterostylis sp Northampton, Caladenia winfieldii ms, Darwinia sp Carnamah, Caladenia elegans]	3(2)	p. 6
Recovery Team update [new Threatened Birds Recovery Team new recovery team, harlequin or sunset frog good news for ground parrot and western bristlebird, numbat news]	3(2)	p. 7
Monitoring and weed control on populations of critically endangered flora ... p. 8	3(2)	
WATSCU data directory / H. Clift	3(2)	p. 8
Keywords A critically threatened ironstone community joins the conservation estate / N. Gibson	4(1)	p. 1

Recovery Team annual reports	4(1)	
Gilbert's potoroo	4(1)	p. 2
Albany district threatened flora	4(1)	p. 2
Matchstick banksia	4(1)	p. 2
Moora district threatened flora	4(1)	p. 3
Western ringtail possum	4(1)	p. 3
Numbat	4(1)	p. 3
Noisy scrub-bird	4(1)	p. 4
Djoongari	4(1)	p. 4
Thevenard Island mouse	4(1)	p. 4
Rose mallee	4(1)	p. 4
Toolibin Lake	4(1)	p. 4
Western swamp tortoise	4(1)	p. 5
Swan region threatened flora and communities	4(1)	p. 5-6
Western bristlebird	4(1)	p. 6
Geocrinia	4(1)	p. 6
Dibbler	4(1)	p. 6-7
Chuditch	4(1)	p. 7
Corrigin grevillea	4(1)	p. 7
Southern forest region threatened flora	4(1)	p. 7
Central forest region threatened flora	4(1)	p. 7
Katanning district survey of 94 priority flora species	4(1)	p. 7
The status of the trapdoor spider genus <i>Moggridgea</i> in the Stirling Range National Park	4(1)	p. 8
Update on night parrot / J. Blyth	4(1)	p. 8
Final report for Threatened Ecological Community Project / V. English	4(1)	p. 9
New Lake Richmond Recovery Team / J. Blyth	4(1)	p. 10
Commemorative birth certificates : helping Western Australian threatened flora and fauna!	4(1)	p. 10
Interim recovery plans for critically endangered plant species [<i>Eremophila nivea</i> , <i>Dryandra montana</i> , <i>Grevillea maccutcheonii</i> , <i>Thelymitra dedmaniarum</i> , <i>Acacia insolita</i> subsp. <i>recurva</i> , <i>Dryandra ionthocarpa</i>]	4(1)	p. 11
Rufous Hare-Wallaby Workshop	4(1)	p. 12
Protecting our endangered flora by observing this sign	4(1)	p. 13
New schedule of threatened fauna / A. Burbidge	4(2)	p. 1
Action for spider near extinction [Teyl] / A. Burbidge	4(2)	p. 2
Update on conservation of Western Australia's critically endangered flora [<i>Grevillea humifusa</i> , <i>Sphenotoma drummondii</i> , <i>Drakonorchis drakeoides</i> , <i>Grevillea calliantha</i> , <i>Chorizema humile</i> , <i>Hemiandra</i> sp. <i>Watheroo</i>]	4(2)	p. 3-4
Lancelin Island skink	4(2)	p. 5
Search for <i>Antina</i> unsuccessful so far [Cape Range]	4(2)	p. 5
Recovery teams for threatened ecological communities [cave team, dune swale team, thrombolite team, montane team] / V. English	4(2)	p. 6-7
<i>Symonanthus bancroftii</i> , a new critically endangered flora species / G. Durell	4(2)	p. 8
Translocations [Western Shield]	4(2)	p. 9
Mala translocation to Trimouille Island, Montebellos / A. Burbidge, D. Langford & P. Fuller	5(1)	p. 1-2
Identifying and conserving threatened ecological communities in the wheatbelt / S. Hamilton-Brown	5(1)	p. 3
Flora update [<i>Acacia sciophanes</i> , <i>Acacia vassalii</i> , <i>Beyeria lepidopetala</i> , <i>Pityrodia augustensis</i>]	5(1)	
Another night parrot expedition / J. Blyth & W. Boles	5(1)	p. 5-6
Malleefowl update / J. Blyth	5(1)	p. 6
A new project on threatened ecological communities : investigations throughout WA / V. English	5(1)	p. 7

Narrogin District Threatened Flora Recovery Team	5(1)	p. 7
Symanthus bancroftii : update / G. Stack	5(1)	p. 7
Report on recovery teams for threatened ecological communities [Toolibin Lake, Yanchep caves]	5(1)	p. 8-9
Critically endangered flora posters	5(1)	p. 9
1997 Recovery Team annual reports	5(1)	
Albany District Threatened Flora Recovery Team / E. Hickman	5(1)	p. 10
Central Forest Region Threatened Flora Recovery Team / K. Williams	5(1)	p. 10
Chuditch Recovery Team / K. Morris & B. Johnson	5(1)	p. 10
Corrigin grevillea recovery plan / I.R. Dixon	5(1)	p. 11
Dibbler Recovery Team / T. Start	5(1)	p. 11
Djoongari Recovery Team / P. Speldewinde & K. Morris	5(1)	p. 11
Geocrinia Recovery Team / K. Williams	5(1)	p. 11
Geraldton District Threatened Flora Recovery Team / S. Patrick	5(1)	p. 12
Gilbert's Potoroo Recovery Team / J. Courtenay	5(1)	p. 12
Matchstick Banksia Recovery Team / G. Durell	5(1)	p. 12
Merredin District Threatened Flora Recovery Team / A. Agafonoff, P. Roberts & M. Fitzgerald	5(1)	p. 12-13
Moora District Threatened Flora Recovery Team / R. Wolstenholm	5(1)	p. 13
Narrogin District Threatened Flora Recovery Team / G. Durell	5(1)	p. 13
Noisy Scrub-bird Recovery Team / A. Danks	5(1)	p. 13-14
Numbat Recovery Team / T. Friend	5(1)	p. 14
Rulingia sp. (Trigwell Bridge) Recovery Team / B. Fitzgerald	5(1)	p. 14-15
Toolibin Lake Recovery Team / K. Wallace	5(1)	p. 15
Western Ringtail Possum Recovery Team / A. Burbidge	5(1)	p. 15
Western Swamp Tortoise Recovery Team / A. Burbidge	5(1)	p. 15-16
Wongan Triggerplant Recovery Team / M. Fitzgerald	5(1)	p. 16
New flora book published / G. Stack & B. Evans	5(2)	p. 1
Review of activities on TECs / J. Blyth	5(2)	p. 2-3
Green Corps project on malleefowl / S. McKenzie	5(2)	p. 3-4
Summary of activities at Toolibin Lake, July-December 1998 / A. Smith	5(2)	p. 4
Progress on identifying and conserving threatened ecological communities in the wheatbelt / S. Hamilton-Brown	5(2)	p. 5
Mammal monitoring : Barrow Island Nature Reserve / A. Burbidge	5(2)	p. 6-7
Flora update [Eremophila pinnatifida, Synaphea quartzitica, Symonanthus bancroftii, Daviesia cunderdin, Darwinea carnea, Acacia vassalii, Acacia cochlocarpa subsp. cochlocarpa, Adenanthos dobagii] / G. Stack, R. Phillimore & R. Evans	5(2)	p. 8-9
Progress on the Statewide Threatened Ecological Community Project / V. English	5(2)	p. 9-10
Social research aspects of conserving threatened ecological communities in the wheatbelt / R. Shaw & S. Moore	5(2)	
Update on some new findings-- [Eremophila] / A. Brown	5(2)	p. 10-11
Keywords Progress on threatened ecological communities / J. Blyth	5(2)	p. 11
North West Cape Karst Management Advisory Committee / J. Blyth	6(1)	p. 1
Listing threatened species and ecological communities / A. Burbidge	6(1)	p. 1-2
Endangered cockatoos / B. Cale	6(1)	p. 2-3
Flora implementation update [Conostylis micrantha, Symonanthus bancroftii, Dryandra ionthocarpa] / R. Phillimore	6(1)	p. 3
Threatened flora markers	6(1)	p. 4
Threatened ecological communities. Year 2, the northern wheatbelt / S. Hamilton-Brown	6(1)	p. 4
Scott River Boronia : a puzzle / R. Evans	6(1)	p. 5
Searching for ground parrots / A. Burbidge	6(1)	p. 6

South Coast Threatened Birds Recovery Team (SCTBRT) / J. Blyth	6(1)	p. 6-7
Statewide threatened ecological communities / S. Claymore	6(1)	p. 7
Progress on conserving threatened ecological communities in the wheatbelt : changes at Murdoch University / S. Renton	6(1)	p. 8
Grasswren interim recovery plan / B. Cale	6(1)	p. 8
Toolibin Lake recovery plan : summary of activities completed January-July 1999 / A. Smith	6(1)	
Update on <i>Daviesia cunderdin</i> ms, <i>Cunderdin daviesia</i> / A. Brown	6(1)	p. 9
Funding the conservation of critically endangered flora and plant communities / V. English	6(1)	p. 10
Bankwest Landscape Conservation Visa Card project : 16 critically endangered plant posters / A. Brown	6(1)	p. 11
Translocation of threatened flora and fauna / Jill Pryde	6(1)	p. 12
Golden catspaw [<i>Anigozanthos humilis</i> subsp. <i>chrysanthus</i>] / A. Brown	6(2)	p. 1
Investigating threatened ecological communities in the Kimberley / S. Claymore	6(2)	p. 2-3
Montebello renewal update / A. Burbidge	6(2)	p. 3
First translocations of bristlebirds / A.H. Burbidge	6(2)	p. 4
Ground parrot surveys / A.H. Burbidge	6(2)	p. 4
Translocation of <i>Darwinia carnea</i> / K. Kershaw	6(2)	p. 5
Commonwealth funds for the recovery of critically endangered plant taxa ...	6(2)	p. 6
Search for elusive <i>Grevillea</i> [<i>Grevillea curviloba</i> subsp. <i>incurva</i>] / V. English	6(2)	p. 6
Flora updates [<i>Chorizema humile</i> , <i>Hemiandra hancocksiana</i>] / R. Phillimore ...	6(2)	p. 7
Postal drops [<i>Acacia sciophanes</i> , <i>Grevillea dryandroides</i> subsp. <i>dryandroides</i> , <i>Drakonorchis drakeoides</i>] / R. Phillimore	6(2)	p. 7
Endangered ecological communities on limestone / V. English	6(2)	p. 8
TECs in the northern wheatbelt / S. Hamilton-Brown	6(2)	p. 9
Murdoch University leaves WA wheatbelt threatened ecological communities project / Sue Moore	6(2)	p. 9-10
Green Corps work to recover threatened ecological communities / A. Agafonoff	6(2)	p. 10
Writing interim recovery plans : a huge task!!	6(2)	p. 11
Keywords The Mogumber bush cricket	7(1)	p. 1
Managing the site of two critically endangered orchids [<i>Pterostylis</i> sp. Northampton, <i>Caladenia elegans</i>] / V. English	7(1)	p. 2
<i>Eremophila vernicosa</i> rediscovered / A. Brown	7(1)	p. 2
The sunset frog : working towards the preparation of a recovery plan	7(1)	p. 3
Yorkrakine trapdoor spider : not extinct, just rare?	7(1)	p. 3
Recovery Team annual reports, 1999	7(1)	
Narrogin District Threatened Flora Recovery Team / G. Durell & K. Kershaw ...	7(1)	p. 4
Matchstick <i>Banksia</i> Recovery Team / G. Durell	7(1)	p. 4
Central Forest Region Threatened Flora and Communities Recovery Team / K. Williams	7(1)	p. 4-5
Moora District Threatened Flora Recovery Team / R. Phillimore & V. English	7(1)	p. 5
Geraldton District Threatened Flora Recovery Team / S. Patrick	7(1)	p. 5
Merredin District Threatened Flora Recovery Team / M. Fitzgerald & K. Bettink	7(1)	p. 5-6
Toolibin Lake Recovery Team / A. Smith	7(1)	p. 6
Albany District Threatened Flora and Communities Recovery Team / S. Barrett	7(1)	p. 6
Geocrinia Recovery Team / K. Williams	7(1)	p. 7
Carnaby's black-cockatoo and western long-billed corella recovery teams 1999 / A. Burbidge	7(1)	p. 7
Chuditch Recovery Team / B. Johnson & K. Morris	7(1)	p. 7-8
Djoongari Recovery Team / P. Speldewinde	7(1)	p. 8
Dibbler Recovery Team / T. Friend	7(1)	p. 8
Gilbert's Potoroo Recovery Team / T. Friend	7(1)	p. 8-9

Western Swamp Tortoise Recovery Team / A. Burbidge	7(1)	p. 9
Lancelin Island skink recovery plan / D. Pearson	7(1)	p. 9-10
South Coast Threatened Birds Recovery Team	7(1)	
Noisy scrub-bird / S. Comer & A. Danks	7(1)	p. 10
Western bristlebird / A.H. Burbidge	7(1)	p. 10-11
Search for elusive Grevillea continued [Grevillea curviloba subsp. incurva] / R. Phillimore	7(1)	p. 11
Threatened ecological communities (TECs) in the wheatbelt : the search continues / S. Hamilton-Brown	7(1)	p. 12
Threatened flora updates [Acacia sciophanes, Eremophila pinnatifida] / R. Phillimore	7(1)	p. 12
Statewide threatened ecological communities / S. Claymore	7(1)	p. 13
Students help manage habitat of critically endangered Lasiopetalum / V. English	7(1)	p. 13-15
More critically endangered plant posters	7(1)	p. 14
Interim recovery plan : update	7(1)	p. 15
Bristlebirds : they're back! / A.H. Burbidge	7(2)	p. 1-2
Threatened Species Scientific Committee / A. Burbidge	7(2)	p. 2
Volunteers help locate new populations of rare orchids / V. English	7(2)	p. 3-4
Orchid surveys on the Busselton area	7(2)	
Orchid surveys in the Geraldton district	7(2)	
Montebello renewal update / A. Burbidge	7(2)	p. 5
The action plan for Australian birds	7(2)	p. 6
Phosphite analysis of sites in the Stirling Range / S. Barrett	7(2)	p. 7-8
Critically endangered flora in Albany district / R. Phillimore	7(2)	p. 8-9
Statewide threatened ecological communities / S. Claymore	7(2)	p. 9
Natural Heritage Trust's Endangered Species Program : Western Australian projects funded in 2000-2000	7(2)	p. 10
Threatened ecological communities in the wheatbelt : it's not over yet / S. Hamilton-Brown	7(2)	p. 11
Up to date with translocations : summary for the year / J. Pryde	7(2)	p. 12
Flora news [Pityrodia scabra, Eremophila veneta, Lambertia echinata subsp. echinata] / A. Brown	7(2)	p. 13-14
Interim recovery plans : towards saving threatened fauna, flora and ecological communities	7(2)	p. 14
Recovery Team annual reports, 1999	7(2)	
Numbat Recovery Team annual report 1999 / T. Friend	7(2)	p. 15
Swan Region Threatened Flora and Communities Recovery Team annual report 1999 / D. Mitchell	7(2)	p. 15
Giving nature a helping hand : the BankWest Landscape Conservation Visa Card / J. Pryde	7(2)	p. 16
Keywords An update on some lowdown animals : underground fauna / J. Blyth ...	8(1)	p. 1-2
Translocation of Lasiopetalum pterocarpum ms (wing-fruited lasiopetalum) / V. English	8(1)	p. 3
Regional and district threatened flora management plans : have been published!	8(1)	p. 3
Identifying, listing and conserving threatened ecological communities in WA / S. Black	8(1)	p. 4-5
Wetland TECs / S. Hamilton-Brown	8(1)	p. 6
Flora update [Eremophila viscida, Roycea pycnophylloides, Frankenia parvula, Frankenia conferta, Nemcia lehmannii] / R. Phillimore & A. Brown	8(1)	p. 7-9
Translocation update	8(1)	p. 9
A further 23 interim recovery plans approved	8(1)	p. 10
Summary of Recovery Team annual reports	8(1)	
Albany district threatened flora management plan / S. Barrett	8(1)	p. 11
Central Forest Region Threatened Flora and Communities Team / K Williams ...	8(1)	p. 11-12
Swan Coastal Plain type 3c critically threatened ecological community, Yarloop (occurrence 6), Waterloo (occurrence 7) / A. Horan & D. Harvey	8(1)	p. 13

Carnaby's Cockatoo and Muir's Corella Recovery Team / A. Burbidge	8(1)	p. 13
Geocrinia Recovery Team / K. Williams	8(1)	p. 13-14
Geraldton District Threatened Flora and Ecological Communities Recovery Team / AM Chant & S Patrick	8(1)	p. 14-15
Lancelin Island Skink Recovery Team / D. Pearson	8(1)	p. 15
Moora District Threatened Flora Recovery Team / Alice Reaveley	8(1)	p. 15
Noisy scrub-bird recovery plan phase 2 / S. Comer & A. Danks	8(1)	p. 15-16
North West Cape Karst Management Advisory Committee / P. Kendrick	8(1)	p. 16
Sedgeland in Holocene Dune Swales Recovery Team / D. Pember	8(1)	p. 16
Swan Region Threatened Flora and Communities Recovery Team	8(1)	p. 16-17
Toolibin Lake Recovery Team / A. Smith	8(1)	p. 17-18
Western bristlebird research plan / A.H. Burbidge	8(1)	p. 18
Western Swamp Tortoise Recovery Team / A. Burbidge [et al.] & L. Mutter	8(1)	p. 18-19
Wongan-Ballidu Threatened Flora Management Program / M. Fitzgerald	8(1)	p. 19
Presumed extinct flora <i>Gyrostemon reticulatus</i> rediscovery / A. Chant	8(2)	p. 1
Green Corps helping to conserve threatened ecological communities / R. Phillimore	8(2)	p. 2-3
Statewide threatened ecological communities / S. Black	8(2)	p. 4
Maintaining the Threatened Ecological Community Database / Melissa Hoskins	8(2)	p. 5
New flora finds [<i>Ptilotus fasciculatus</i> , <i>Eremophila complanata</i> ms, <i>Thelymitra psammophila</i>] / A. Brown	8(2)	p. 6-7
Giving biodiversity a helping hand : the BankWest Landscape Conservation Visa Card / J. Pryde	8(2)	p. 8-9
Translocations of threatened fauna and flora	8(2)	p. 10
New publication	8(2)	p. 10-11
Celebrating 100 interim recovery plans / J. Pryde	8(2)	p. 11
Sheila's busy springtime reconnaissance / S. Hamilton-Brown	8(2)	p. 12
Natural Heritage Trust Endangered Species Program 2001-2002	8(2)	p. 13
Documenting and protecting threatened wetlands / V. English	8(2)	p. 14
New approval process for threatened ecological communities / J. Blyth	8(2)	p. 15
Critically endangered ecological communities of the Swan Coastal Plain / J. Blyth	9(1)	p. 1-2
Improvements in conservation of threatened flora and communities / V. English	9(1)	p. 2-3
South Coast Threatened Invertebrates Group / S. Comer	9(1)	p. 3
Australian mammal audit / N. McKenzie & A. Burbidge	9(1)	p. 4-7
Translocations of threatened fauna and flora / J. Pryde	9(1)	p. 7
Negotiations on proposed mine near ironstone community / V. English	9(1)	p. 8
New recovery plans and interim recovery plans recently approved / J. Pryde	9(1)	p. 8
Conserving threatened ecological communities on the Swan Coastal Plain / R. Phillimore	9(1)	p. 9-10
Rare flora and threatened community posters / R. Phillimore	9(1)	p. 10
Adopt a TEC program / S. Hamilton-Brown	9(1)	p. 11
Threatened ecological communities documented / Melissa Hoskins	9(1)	p. 12
Adoption of interim recovery plans under the Environment Protection and Biodiversity Conservation Act 1999 / J. Pryde	9(1)	p. 13
Summaries of the 2001 annual reports of recovery teams	9(1)	
Narrogin threatened flora management plan annual report / K. Kershaw & G. Durell	9(1)	p. 14
Geraldton District Threatened Flora and Ecological Recovery Team annual report / A.M. Chant	9(1)	p. 14
Western Swamp Tortoise Recovery Team annual report / A. Burbidge et al. and L. Mutter	9(1)	p. 15
Noisy scrub-bird recovery, phase 2 / S. Comer & A. Danks	9(1)	p. 15
New projects funded through the BankWest Landscape Conservation Visa Card, 2001-2002 / J. Pryde	9(1)	p. 16

Working with the Kimberley community to conserve rangeland TECs / S. Black	9(2)	p. 1-2
Increased populations of critically endangered flora [Grevillea humifusa,	9(2)	
Grevillea batrachioides, Gastrolobium hamulosum] / V. English	9(2)	p. 3
Birds Australia Carnaby's Black-Cockatoo Recovery Project / L. McMahon	9(2)	p. 4
Conserving threatened ecological communities on the Swan Coastal Plain / R. Phillimore	9(2)	p. 5-6
Translocation of the whorled eremophila (Eremophila verticillata) / J. Pryde	9(2)	p. 7
BankWest Landscape Conservation Visa Card Trust funds	9(2)	p. 7
Threatened ecological communities reviewed / Melissa Hoskins	9(2)	p. 8-9
Interim recovery plans approved in 2002 / J. Pryde	9(2)	p. 9
Yanchep caves root mat community / J. Blyth	9(2)	p. 10
Recovering threatened plants in the Moora District / V. English	10(1)	p. 1-2
Important land purchase adds to conservation reserve system / V. English ...	10(1)	p. 2
Changes to the list of Declared Rare Flora / A. Brown	10(1)	p. 3
Establishing a monitoring program for threatened ecological communities ...	10(1)	p. 3
Writing and implementing interim recovery plans for salinity affected threatened flora and communities / R. Luu	10(1)	p. 4
Recharge trials at Yanchep caves / J. Blyth	10(1)	p. 4
Completion of conservation project for Busselton ironstone community / V. English	10(1)	p. 5
What's flowering? [Acacia cochlocarpa subsp. cochlocarpa, Daviesia euphorbioides, Daviesia speciosa, Grevillea humifusa, Wurmbea tubulosa, Wurmbea calcicola, Verticordia staminosa subsp. staminosa] / A. Brown	10(1)	p.6-7
Wildfire as a golden opportunity [Grevillea curviloba subsp. incurva] / V. English	10(1)	p. 7
Giving nature a helping hand : BankWest Landscape Conservation Visa Card 10 year on / J. Pryde	10(1)	p. 8
Translocation of threatened flora and fauna	10(1)	p. 8
Carnaby's Black Cockatoo Symposium / J. Blyth	10(1)	p. 9
Threatened species & communities recovery team annual reports 2002	10(1)	
Carnaby's black cockatoo / J. Blyth	10(1)	p. 10
Noisy scrub-bird / S. Comer & A. Danks	10(1)	p. 10
Western swamp tortoise / L. Mutter [et al.] & A. Burbidge, N. Marlow ...	10(1)	p. 10-11
Lancelin Island skink / D. Pearson	10(1)	p. 11
Geocrinia Recovery Team annual report / K. Williams	10(1)	p. 11
Albany district threatened flora and eastern Stirling Range montane heath & thicket community / S. Barrett	10(1)	p. 11
Narrogin district threatened flora / K. Kershaw & G. Durell	10(1)	p. 11-12
South west threatened flora and communities / K. Williams	10(1)	p. 12
Katanning district threatened flora / B. Loudon	10(1)	p. 12-13
Moora district threatened flora and ecological communities / G. Broun	10(1)	p. 13
Esperance district threatened flora / R. Butler	10(1)	p. 13
Geraldton district threatened flora & ecological communities / A.M. Chant ...	10(1)	p. 13
Thrombolite community of a coastal brackish lake (Lake Clifton) / R. Phillimore	10(1)	p. 14
Aquatic root mat community 1-4 of caves of the Leeuwin Naturaliste Ridge / R. Phillimore	10(1)	
Lake Bryde recovery catchment / A. Kietzmann	10(1)	p. 14
Toolibin Lake / J. Wyland	10(1)	p. 14-15
North West Cape Karst Management Advisory Committee report May 2001-June 2003 / P. Kendrick	10(1)	p. 15
TEC boundaries available soon / M. Hoskins	10(1)	p. 15
New and revised interim recovery plans approved	10(1)	p. 16
Symposium on Progress with Threatened Ecological Communities / V. English ...	10(2)	p. 1-2
Inering Catchment Group protecting a threatened ecological community / R. Rees	10(2)	p. 2

Margaret River (hairy) marron / J. Blyth & B. Molony	10(2)	p. 3
Mound spring walk with catchment group / V. English	10(2)	p. 4
Declared rare flora surveys [Centrolepsis caespitosa, Conospermum densiflorum, subsp. unicephalatum, Frankenia parvula, Frankenia conferta, Roycea pycnophylloides, Calytrix breviseta subsp. breviseta, Conostylis setigera subsp. dasys, Goodenia integerrima, Ptilotus fasciculatus] / R. Luu	10(2)	p. 5
South Coast Threatened Birds Recovery Team / S. Comer & J. Blyth	10(2)	p. 6
Report on the South Coast Region flora project / A. Brown, S. Barrett & R. Butler	10(2)	p. 7-8
Monitoring of TECs gets underway / M. Hoskins	10(2)	p. 8
Progress on the Yanchep caves recharge scheme! / J. Blyth	10(2)	p. 9
Implementing recovery actions / V. Clarke	10(2)	p. 9
What's flowering? [Verticordia albida, Verticordia carinata, Verticordia hughanii, Lambertia echinata subsp. occidentalis, Lambertia orbifolia subsp. orbifolia, Eremophila resinosa, Eremophila subteretifolia, Grevillea dryandroides subsp. hirsutus] / A. Brown	10(2)	p. 10-12
Western swamp tortoise (Pseudemydura umbrina) recovery plan (3rd edition) / A. Burbidge & G. Kuchling	10(2)	p. 12
Preparation of 5 year interim recovery plans / G. Stack & J. Patten	10(2)	p. 13
Have you seen Carnaby's black-cockatoos with painted tail feathers? / L. McMahon	10(2)	p. 14
BankWest Landscape Conservation Visa Card / J. Pryde	10(2)	p. 15
Translocation of threatened flora and fauna	10(2)	p. 15
Interim recovery plans	10(2)	p. 16
Camaenid land snails in the east Kimberley / K. Pearce	11(1)	p. 1-2
Significant bushland purchased / V. English	11(1)	p. 2
Ground water recharge project for the aquatic root mat TEC of caves of the Swan Coastal Plain / L. Sage	11(1)	p. 3
Endangered mound springs in the Three Springs area / R. Rees	11(1)	p. 4
Western ground parrots : some success / B. Newbey	11(1)	p. 4
Recovery actions for 9 critically endangered TECs of the Swan region / L. Sage	11(1)	p. 5
Recovery of the thrombolite community of a coastal brackish lake (Lake Clifton) / R. Luu	11(1)	p. 6
Survey work on the Darling Scarp gets underway / M. Hoskins	11(1)	p. 7
Wheatbelt community helps to recover the endangered Wongan cactus / V. Clarke	11(1)	p. 8
The Champion champions [Eremophila virens] / J. Patten	11(1)	p. 9
Translocation of flora and fauna	11(1)	p. 10
Scaly-leaved featherflower (Verticordia spicata subsp. squamosa) / G. Stack	11(1)	p. 10
Sampling of possible new occurrences of the endangered Augusta microbial / M. Hoskins	11(1)	p. 11
Interim recovery plans approved	11(1)	p. 11
Threatened species & communities recovery team summaries of annual reports 2003	11(1)	p. 12
Gilbert's Potoroo Recovery Team annual Recovery Team report 2003 / A. Danks	11(1)	p. 12
Carnaby's Black-Cockatoo Recovery Team annual report 2003 / J. Blyth & Leonie McMahon	11(1)	p. 12
South Coast Threatened Birds Recovery Team annual Recovery Team report 2003 / A. Danks	11(1)	p. 12
Western Swamp Tortoise Recovery Team annual report / L. Mutter [et al.] & A. Burbidge, Stefan de Haan	11(1)	p. 12-13
Esperance District Threatened Flora Recovery Team annual report 2003 / Ryan Butler	11(1)	p. 13
Geraldton District Threatened Flora & Ecological Communities Recovery Team annual report 2003 / A.M. Chant	11(1)	p. 13-14
Katanning District Threatened Flora Recovery Team annual report 2003 / B. Loudon	11(1)	p. 14
Merredin District Threatened Flora Recovery Team annual report 2003 / Kate Brunt	11(1)	p. 14
Narrogin District Threatened Flora Recovery Team annual report 2003 / K. Kershaw & G. Durell	11(1)	p. 14-15
Moora District Threatened Flora Recovery Team annual report 2003 / G. Broun	11(1)	p. 15

Wongan Ballidu Threatened Flora Recovery Team annual report 2003 / P. Blechynden & K. Roy-Chowdhury	11(1) p. 15
Albany District Rare Flora Recovery Team, Eastern Stirling Range Montane Heath & Thicket Recovery Team annual report 2003 / S. Barrett	11(1) p. 15-16
Thrombolite (Stromatolite-like Microbiolite) Community of a Coastal Brackish Lake (Lake Clifton) Recovery Team annual report 2003 / R. Luu	11(1) p. 16
Lake Bryde Recovery Catchment annual report 2003 / M. Giraud	11(1) p. 16
Sedgeland in Holocene Dune Swales Recovery Team annual report 2003 / V. English	11(1) p. 16-17
Toolibin Lake Recovery Team annual report 2003 / J. Wyland	11(1) p. 17-18
Great huegelii hunt, spring 2004 : surveys for the declared rare flora <i>Caladenia huegelii</i> (grand spider orchid) / E. Adams	11(2) p. 1-2
Scott ironstone acquisition / V. English	11(2) p. 2
New Forest Black Cockatoos Recovery Team / J. Blyth	11(2) p. 3
New occurrences of shrublands of limestone ridges added to Threatened Ecological Communities Database / M. Hoskins	11(2) p. 4
Translocation of flora and fauna	11(2) p. 4
New population of endangered <i>Grevillea</i> [<i>Grevillea curviloba</i> subsp. <i>incurva</i>] / V. English	11(2) p. 5
<i>Beyeria lepidopetala</i> , rediscovered again! / A. Chant	11(2) p. 6
Pilot South Coast Threatened Species Project / S. Gilfillan	11(2) p. 7
Recovery of threatened flora and ecological communities in the south coast region / A. Brown, S. Barrett & R. Butler	11(2) p. 8-9
Breeding Antina at Perth Zoo / J. Pryde	11(2) p. 9
New occurrence of critically endangered mound spring added to conservation reserve / M. Hoskins	11(2) p. 10
A community partnership is helping to protect the hinged dragon orchid (<i>Caladenia drakeoides</i>) / G. Stack	11(2) p. 10
Management plan for declared rare and poorly known flora in the Warren region / R. Meissner	11(2) p. 11
	11(2)
CALM staff participate in new Flora Management Course / R. Rees	11(2) p. 12
New populations of critically endangered flora (in the Esperance District) [<i>Anigozanthos bicolor</i> subsp. <i>minor</i> , <i>Eremophila lactea</i>] / R. Butler	11(2) p. 13-14
New recovery plan : dibbler (<i>Parantechinus apicalis</i>) recovery plan / T. Friend	11(2) p. 14
Busselton Ironstones Threatened Ecological Community Workshop / R. Meissner	11(2) p. 15
Interim recovery plans approved	11(2) p. 16
Restructure within the Nature Conservation Division of the Department / K. Atkins	12(1) p. 1
A new nature reserve at "Cairn Hill" / J. Blyth and R. Rees	12(1) p. 2
Piawaning Clawflower rediscovered again! / V. English	12(1) p. 3
New Recovery Plan	12(1) p. 3
Banksia community added to reserve system / J. Pryde	12(1) p. 4
Threatened Ecological Community Notifications / M. Morley	12(1) p. 5
Updating the Commonwealth list of Threatened Species / R. Rees	12(1) p. 5
Ironstone Community Recovering / V. English	12(1) p. 6
Salvage dig for <i>Caladenia procera</i> / G. Stack	12(1) p. 7
Interim Recovery Plans Approved	12(1) p. 8
Translocation of threatened flora and fauna	12(1) p. 8
Threatened Species and Recovery Team Summaries of Annual Reports 2004	12(1) p. 9-16
Western Australian recovery plans adopted under the EPBC Act	12(1) p. 17
John Blyths Retirement / V. English	12(1) p. 18
Many hands make light work! Management of <i>Daviesia euphorbioides</i> / G. Stack	12(2) p. 1
New populations of the Critically Endangered species <i>Eremophila vernicosa</i> ms (resinous poverty bush) found / A. Brown	12(2) p. 2
Rock-wallaby fence at Querekin / Christine Freegard	12(2) p. 2

Huegelii hunting in Kooljerrenup / N. Willers	12(2)	p. 3
The 'Great Cocky Count'	12(2)	p. 3
Surveys for possible Ironstone TEC in the Porongurups / R. Rees	12(2)	p. 4
Scott River Ironstone Community / M. Morley	12(2)	p. 4
Population characteristics of three rare wheatbelt plant species / R. Luu	12(2)	p. 5
Information courses on threatened flora and communities / V. English	12(2)	p. 5
Monitoring Threatened Ecological Communities (TECs) on the Swan Coastal Plain — an update / J. Pryde	12(2)	p. 6
Interim recovery plans approved	12(2)	p. 7
Translocation of threatened flora nad fauna	12(2)	p. 7
RARE! Recovering (Western) Australia's rich endemics / C. Douglas	12(2)	p. 8
'Buying time' for threatened flora and ecological communities / Renee Hartley	12(3)	p. 1
Catching up with <i>Drakaea elastica</i> / Gillian Stack	12(3)	p. 2
Alignment of State and Commonwealth Threatened Species List / Melanie Harding	12(3)	p. 2
Recovering (Western) Australia's Rich Endemics / Craig Douglas	12(3)	p. 3
Priority Ecological Communities Project / Monica Batista	12(3)	p. 3
Extra Security for Threatened Species and Communities in the Northern Agricultural Region / Benson Todd	12(3)	p. 4
<i>Pityrodia scabra</i> – A disturbance opportunist in trouble? / Mia Morley	12(3)	p. 4
Visit from Department of Environment and Heritage / Val English	12(3)	p. 5
Bankwest <i>Landscape</i> Conservation Visa Card – new projects	12(3)	p. 5
Wongan-Ballidu Threatened Flora Management Plan released in February 2006	12(3)	p. 6
Twenty more Interim Recovery Plans approved	12(3)	p. 7
Threatened Species and Communities Recovery Team - Summaries of Annual Report for 2005	12(3)	p. 8 - 12
Western Ground Parrot Recovery Project Update/ Mike Barth	13(1)	p. 1
<i>Banksia verticillata</i> - Regenerating a population through fire and seeding/ Nikki Rouse	13(1)	p. 2
Project Update - Back from the Brink/ Benson Todd	13(1)	p. 2-3
Geocrinia frog monitoring in DEC's South West Region/ Tienielle Brown	13(1)	p. 3
Biodiversity Conservation Initiative – millions of dollars allocated to fund projects benefiting the State's threatened species and ecological communities/ Melanie Harding	13(1)	p. 4
Biodiversity Conservation Initiative project at Hi Valee/ Kathy Himbeck	13(1)	p.4
Installation and monitoring of nesting boxes for threatened black cockatoos in Serpentine-Jarrahdale and Murray/ Glen Byleveld	13(1)	p. 5
Grand spider orchid Surveys 2006/ Vanessa Clarke	13(1)	p. 5
Rescuing Threatened Wheatbelt Orchids/ Andrew Brown	13(1)	p. 6
Feral bee control strategy/ Jacqueline Hay	13(1)	p. 6
Aligning the Western Australian and National Threatened Species Lists/ Ken Atkins	13(1)	p. 7
New flora species and other interesting discoveries/ Jenna Brooker	13(1)	p. 8
Flora Management Course becomes nationally recognised/ Val English	13(1)	p. 9
Status check: <i>Conospermum toddii</i> / Wendy Thompson	13(1)	p 9
Baudin's Cockatoo <i>Calyptorhynchus baudinii</i> : an endangered species and a pest of the pome fruit industry in south–west Western Australia/ Tamra Chapman	13(1)	p. 10
The New Avon-Mortlock District: Partnerships Form for Threatened Species Recovery/ Joel Collins	13(1)	p. 11
Recovery Plans approved / Jill Pryde	13(1)	p. 12
Translocation of Threatened Fauna and Flora/ Jill Pryde	13(1)	p. 12
Island Search for Rare Fern/ Nikki Rouse	13(2)	p. 1
Search for a threatened ecological community in the deep pools of the Avon River/ Monica Batista	13(2)	p. 2
Implementing recovery actions for Declared Rare Flora/ Jessica Wright	13(2)	p. 2
Yongergnow Australian Malleefowl Centre, Ongerup WA/ Melissa Savage	13(2)	p. 3

Warren Region receives funding for Critically Endangered species/Cassidy Newland	13(2)	p. 3
Protection of Duckpond Reserve/Melissa Hoskins	13(2)	p. 4
Search for Webb's Moss/Cassidy Newland	13(2)	p. 4
Corella Count 2007: Muir's Corella/ Marnie Swinburn	13(2)	p. 5
Recovering (Western) Australia's Rich Endemics/ Craig Douglas	13(2)	p. 6
Information Day for Native Vegetation Protection Group/ Val English	13(2)	p. 7
Managing Club-leafed synaphea/ Fiona Felton	13(2)	p. 8
The Elusive, Endangered and Enigmatic Western Ground Parrot/ Renee Hartley	13(2)	p. 9
Spring surveys locate additional <i>Calectasia</i> sp. Pinjar/ Melissa Hoskins	13(2)	p. 10
WetlandBase – The Western Australian Wetlands Database/Catherine Prideaux and Stephen Quiterio	13(2)	p. 11
Improved protection for two Midwest threatened ecological communities/ Monica Batista	13(2)	p. 11
Recovery Plans approved/ Jill Pryde	13(2)	p. 12
New mound springs located/ Val English	13(3)	p. 1
The black-flanked rock-wallaby: Cape Range National Park/ Sonja Creese	13(3)	p. 2
Udamung is ringing with Mogumber bells/ Gillian Stack	13(3)	p. 2-3
Net-veined gyrostemon disturbance trial/ Gemma Phelan	13(3)	p. 3
Manjimup Baudin's cockatoo kindergarten/ Lee Fontanini	13(3)	p. 4
Important land purchased for conservation / Val English	13(3)	p. 4
Flora management course 2007/ Amrit Kendrick	13(3)	p. 5
Response to fire in two threatened communities/ Jenny Borger	13(3)	p. 5
Wattle they search for next?	13(3)	p. 6
Wetland monitoring and mapping in the South West/ Mia Morley	13(3)	p. 7
Recovery plans approved/ Jill Pryde	13(3)	p. 8
WANOSCG, DEC and Back from the Brink join forces in an effort to relocate the sun star orchid in Lesueur National Park/ Benson Todd	14(1)	p. 1
Weeds, fire and restoration possibilities: the seasonal clay-based wetlands of Meelon Nature Reserve/Kate Brown, Grazyna Packowska, Bob Huston and Nola Withnell	14(1)	p. 2
Review of Western Australian recovery plans/ Vanessa Clarke	14(1)	p. 3
Another TEC site purchased/ Alex Errington and Jill Pryde	14(1)	p. 3
2007 Fauna Management Course/ Amrit Kendrick, Peter Orell and Christine Freegard	14(1)	p. 4
The Threatened Ecological Community Scientific Committee, 14 years on/ Val English	14(1)	p. 4
A hydrological investigation of a Banksia prionotes community on transported yellow sands/ Wendy Chow and Sonja Creese	14(1)	p. 5
Monitoring our communities under threat: Resource Condition Monitoring Project for TECs/ Carolyn Harding	14(1)	p. 5
The awakening of the woolly one/ Lorraine Duffy	14(1)	p. 6
The wonders of our bentonite lakes/ Monica Hunter	14(1)	p. 6
A review of approved WA flora recovery plans/ Amanda Fairs	14(1)	p. 7
Island home provides better future for one of our rarest animals/ Renée Hartley	14(1)	p. 8
Taking weed action in Dampier Peninsula's vulnerable vine thickets/ Alison McGilvray	14(1)	p. 8
Agencies working together for the critically endangered <i>Grevillea acropogon</i> / Jo Smith	14(1)	p. 9
Bankwest Landscape Conservation Visa Card funded projects recent/et completed/ Jill Pryde	14(1)	p. 10
Priority Ecological Communities - Updated list/ Jill Pryde	14(1)	p. 10
Recovery plans approved/ Jill Pryde	14(1)	p. 11
Rare skink gets communities talking/ Renee Hartley	14(2)	p. 1
Survey and monitoring of the Billeranga System/Monica Hunter	14(2)	p. 2
Norseman pea (<i>Daviesia microcarpa</i>) – recruitment trial/ Ben Iullfitz	14(2)	p. 3
Field day for managers of clay-based wetlands compiled/ Urban Nature	14(2)	p. 4
Databases under development for monitoring significant species and communities/ Amrit Kendrick	14(2)	p. 4

Threatened pest birds/ Tamra Chapman	14(2)	p. 5
Monitoring broad-scale change in threatened ecological communities/ Val English	14(2)	p. 5
Wheatbelt threatened flora recovery – Back from the Edge project update/Joel Collins	14(2)	p. 6
Commonwealth TSSC meets in Perth/ Melanie Harding	14(2)	p. 7
Lake Bryde recovery catchment threatened ecological community monitoring and research project/ Natalie Nicholson	14(2)	p. 8
<i>Philotheca falcata</i> – re-discovered after three quarters of a century!/ Bridgette Long	14(2)	p. 9
Important land acquisitions/Val English	14(2)	p. 10
Setting priorities for recovery work/ Val English	14(2)	p. 10
Recovery Plans approved/ Jill Pryde	14(2)	p. 11
Recovery plans adopted under the EPBC Act/ Jill Pryde	14(2)	p. 12
The unique wetlands of the Canning River East Branch wetlands/ Ben Ansell	15(1)	p. 1
Sandhill Dunnarts WA: Survey, Ecology and Conservation Biology/ Glen Gaikhorst, Cathy Lambel	15(1)	p. 2
Toolibin Lake surface water management - Dulbinning waterway/ Raymond McKnight and Marie Et	15(1)	p. 3
The rare stromatolite association in Lake Thetis/ Damian Buller and Wendy Chow	15(1)	p. 4
Purchase of rare community for conservation/ Val English	15(1)	p. 4
Radio tracking of the Western Swamp Tortoise/ Melissa Hoskins and Gerald Kuchling	15(1)	p. 5
Far-flung regions linked to learn about monitoring of species and communities/ Amrit Kendrick	15(1)	p. 5
Characterising Wheatbelt woodlands/ Greg keighery and Judith Harvey	15(1)	p. 6
Bush Rangers WA Annual In-service Conference 15-17 March 2009/ Monica Hunter	15(1)	p. 6
Surveying for marsupial moles at Neale Junction Nature Reserve/ Karl Brennan, Stewart Ford, Pa	15(1)	p. 7
Draining excess water from the landscape - Lake Wheatfield case study/ Kimberley Oswald	15(1)	p. 8
Teaching children about the conservation of threatened species and communities / Renee Hartle	15(1)	p. 9
Recent changes to WA threatened species under the EPBC Act/ Melanie Smith	15(1)	p. 9
Promotion of threatened fauna issues/ Val English	15(1)	p. 10
Lake Clifton thrombolite community - recovery activities update/ Jill Pryde	15(1)	p. 10
Monitoring in Bentonite Lakes/ Wendy Chow	15(1)	p. 11
Regional flora management program and recovery plans approved/ Jill Pryde	15(1)	p. 12
Surveying jarrah forest wetlands/ Jill Pryde	15(2)	p. 1
When rocks aren't just rocks: the microbial communities of Black Point/ Cassidy Newland	15(2)	p. 2
Range extension for cinnamon sun orchid/ Melissa Hoskins	15(2)	P. 3
Recovery planning at a regional scale/ Janet Newell	15(2)	p. 4
Remote sensing cameras spot chuditch at Dryandra/ Mick Davis	15(2)	p. 5
Threatened ecological communities monitoring course/ Val English	15(2)	p. 5
Conservation of the graceful sun-moth/ Carly Bishop	15(2)	p. 6
Improving data about ecological communities/ Nina Stick	15(2)	p. 6
<i>Philotheca basistyla</i> - a critically endangered species in decline in the Wheatbelt/ Natasga Moore	15(2)	p. 7
Monitoring fire effects/ Val English	15(2)	p. 8
<i>Thelymitra</i> sp. Ongerup - a little known species confined to the Ongerup area of WA/ Andrew Brown	15(2)	p. 9
Recovery Plans approved/ Jill Pryde	15(2)	p. 10
Traditional wisdom meets western science/ Alison McGilvray	16(1)	p. 1
Developing a recovery plan for rainforest patches with local communities/ Val English	16(1)	p. 2
Tammar wallabies return to Kalbarri/ Gareth Watkins	16(1)	p. 3
<i>Styliidium amabile</i> disturbance trial/Alanna Chant and Catherine Page	16(1)	P. 4
Mapping of Whicher Scarp priority ecological communities/ Anne Harris	16(1)	P. 5
What's flowering – winter / Andrew brown	16(1)	p. 6
RECENT CHANGES TO WA THREATENED SPECIES LISTS- Melanie Smith	16(1)	p. 7

RECENT CHANGES TO WA THREATENED SPECIES UNDER THE EPBC ACT/ Jill Pryde	16(1)	p. 9
Lake Clifton microbial community listed under federal legislation/ Jill Pryde	16(1)	p. 9
Great Cocky Count/ Geoff Barrett	16(1)	p. 10
Recovery plans approved/ Jill Pryde	16(1)	p. 10
The Albany Regional Vegetation Survey/Sarah Barrett	16(2)	p. 1
Protection of rare flora from the impacts of rabbit grazing/Melissa Okely	16(2)	p. 2
Biodiversity Day - bringing the bushland to children/Jill Pryde	16(2)	p. 3
An update on <i>Acacia leptoneura</i> and <i>Acacia torticarpa</i> in the Central Wheatbelt District/Joel Collins	16(2)	p. 4
Remarkable Lake Thetis/Wendy Chow and Nick Casson	16(2)	p. 5
Monitoring of declared rare <i>Synaphea</i> species/Anne Harris	16(2)	p. 5
Significant bushland purchased for conservation/Val English	16(2)	p. 5
Food for thought/Teagan Johnston	16(2)	p. 6
Department's work showcased at Wildflower Festival/Val English	16(2)	p. 7
Plants for Carnaby's 'search tool'/Christine Groom	16(2)	p. 7
Threatened Species and Communities recovery teams' summaries of 2009 annual report	16(2)	p. 8
Albany Threatened Flora Recovery Team	16(2)	p. 10
Central Wheatbelt District Threatened Flora Recovery Team	16(2)	p. 10
Esperance District Threatened Flora Recovery Team	16(2)	p. 11
Geraldton District Threatened Flora and Communities Recovery Team	16(2)	p. 11
Goldfields Threatened Flora Recovery Team	16(2)	p. 11
Warren Threatened Flora Recovery Team	16(2)	p. 11
Lake Clifton Recovery Team	16(2)	p. 12
Sedgeland in Holocene dune swales Recovery Team	16(2)	p. 12
Recovery plans approved/Jill Pryde	16(2)	p. 12
Sampling threatened microbial communities	17(1)	p. 1
Healthy Wetland Habitats – helping conserve high value bushland	17(1)	p. 2
Survey of ironstone community on private land	17(1)	p. 3
A jewel north of Moora	17(1)	p. 3
Western Australia's threatened <i>eremophilas</i>	17(1)	p. 4
Conservation of important claypans	17(1)	p. 5
World Wetlands Day	17(1)	p. 6
To burn or not to burn: some issues of declared rare flora in the Goldfields Region	17(1)	p. 6
Clean up day at TEC sites	17(1)	p. 7
Recovery plans approved	17(1)	p. 8
Rakali – no ordinary rat	17(2)	p. 1
Recovering warru in the Western Desert	17(2)	p. 2
Kangaroo exclusion fence trial to protect the Busselton ironstone threatened ecological	17(2)	p. 2
Dryandra Woodland – Barna Mia	17(2)	p. 3
A great sandy discovery	17(2)	p. 4
Science Week – monitoring vegetation	17(2)	p. 5
Adopt an orchid project (ADORP)	17(2)	p. 6
Sedgeland recovery plan updated	17(2)	p. 7
Highlights from recovery team annual reports for 2010-11	17(2)	p. 8
Geraldton District threatened flora recovery team	17(2)	p. 8
Great Southern District threatened flora and communities recovery team	17(2)	p. 8
Central Wheatbelt District threatened flora and ecological communities recovery team	17(2)	p. 8
Swan Region threatened flora and communities recovery team	17(2)	p. 8
Moora District threatened flora and communities recovery team	17(2)	p. 8

Albany District threatened flora recovery team	17(2) p. 9
Goldfields threatened flora recovery team	17(2) p. 9
'Sedgeland in Holocene dune swales' recovery team	17(2) p. 9
Warren Region threatened flora and communities recovery team	17(2) p. 9
Thrombolite (Stromatolite-like Microbialite) community of a coastal brackish lake (Lake Clifton) recovery team	17(2) p. 9
Recovery plans approved	17(2) p. 10
Volunteer surveys for <i>Caladenia cristata</i>	18 (1) p. 1
The colours of rakali: fur for thought	18 (1) p. 2
Claypans listed	18 (1) p. 2 - 3
Protecting claypans with covenants	18 (1) p. 3
University students assist conservation	18 (1) p. 4
Protecting the habitat of the rare native wild rose	18 (1) p. 4
Symposium to discuss stromatolite conservation	18 (1) p. 5
Recent changes to WA threatened species lists	18 (1) p. 6 - 7
Recovery plans approved	18 (1) p. 7
Stromatolite symposium a success	19 (1) p. 1
Rock-and-roll recovery for wallabies	19 (1) p. 2
Claypans of Drummond Nature Reserve	19 (1) p. 2-3
Satellite tracking Carnaby's cockatoo	19 (1) p. 3
Feral pig control aids conservation	19 (1) p. 4
2012 DEC flora conservation course	19 (1) p. 5
Highlights from recovery team annual reports for 2011-12	19 (1) p. 6
