# CALMScience COMMUNICATIONS

November 2000 - January 2001

*CALMScience Mission: Provide up-to-date and scientifically sound information to uphold effective conservation and land management in W.A.*

---

*CALMScience Communications lists titles of publications, reports etc prepared by CALMScience staff. This issue is for the period November 2000 to January 2001. If you require a copy of any listings please contact the authors or Christine Farrell at Science House, Kensington or Lisa Wright at Woodvale*
