

SCIENCE COMMUNICATIONS

No. 24 (Jun 2008)

Science Division Mission: The provision of up-to-date and scientifically sound information to uphold effective evidence-based conservation of biodiversity and sustainable natural resource management in Western Australia
<http://calmweb.calm.wa.gov.au/drb/science/index.html>

DIRECTOR
NATURE CONSERVATION
CRAWLEY

Science Communications lists titles of publications, reports etc prepared by Science Division staff. This issue is for the period ending June 2008. If you require a copy of a **submitted** paper please contact the author. For all other titles please contact Lisa Wright at Woodvale.

Neil Burrows
Director

Journal Publications

- Abbott I (2008). Historical perspectives of the ecology of some conspicuous vertebrate species in south-west Western Australia. *Conservation Science Western Australia* **6(3)**, 1-214
- Adams PJ, Elliot AD, Algar D, Brazell RI (2008). Gastrointestinal parasites of feral cats from Christmas Island. *Australian Veterinary Journal* **86**, 60-63
- Barrett S, Cochrane A (2007). Population demography and seed bank dynamics of the threatened obligate seeding shrub *Grevillea maxwellii* McGill (Proteaceae). *Journal of the Royal Society of Western Australia* **90**, 165-174
- Burbidge A (2007). What was the Jarnadup bristlebird?. *Records of the Western Australian Museum* **24**, 1-7
- Burrows ND (2008). Linking fire ecology and fire management in south-west Australian forest landscapes. *Forest Ecology and Management* **255**, 2394-2406
- Byrne M, Elliott CP, Yates CJ, Coates DJ (2008). Maintenance of high pollen dispersal in *Eucalyptus wandoo*, a dominant tree of the fragmented agricultural region in Western Australia. *Conservation Genetics* **9**, 97-105
- Byrne M, Hopper SD (2008). Granite outcrops as ancient islands in old landscapes: evidence from the phylogeography and population genetics of *Eucalyptus caesia* (Myrtaceae) in Western Australia. *Biological Journal of the Linnean Society* **93**, 177-188
- Cahill DM, Rookes JE, Wilson BA, Gibson L, McDougall KL (2008). Turner review. No. 17, *Phytophthora cinnamomi* and Australia's biodiversity: impacts, predictions and progress towards control. *Australian Journal of Botany* **56**, 279-310
- Cochrane A, Monks L, Lally T (2007). Response of the germinable soil-stored seed bank of a remnant reserve in the southern Western Australian agricultural zone to smoke and fire treatment. *Journal of the Royal Society of Western Australia* **90**, 47-52
- Cohen M, Parker QA, Green AJ, Murphy T, Miszalski B, Frew DJ et al. (2007). Spitzer IRAC observations of newly-discovered planetary nebulae from the Macquarie-AAO-Strasbourg H[alpha] Planetary Nebula Project. *Astrophysical Journal* **669**, 343-362
- Crane CE, Shearer BL (2007). Hemispherical digital photographs offer advantages over conventional methods for quantifying pathogen-mediated changes caused by infestation of *Phytophthora cinnamomi*. *Australasian Plant Pathology* **36**, 466-474
- De Clerck O, Verbruggen H, Huisman JM, Faye E, Leliaert F, Schils T et al. (2008). Systematics and biogeography of the genus *Pseudocodium* (Bryopsidales: Chlorophyta), including the description of *P. natalense* sp. nov. from South Africa. *Phycologia* **47**, 225-235

Friend T (2007). Rescuing Gilbert's potoroo: the world's most endangered marsupial, with community help. *In: Proceedings of the Fifth Annual National Wildlife Rehabilitation Conference: Perth, Western Australia, 6-9 August 2007* 218-223

Schleucher E, Hilmer S, Angus GJ, Algar D, Warnecke L (2008). The effect of captivity on thermal energetics in native and invasive species : are physiological capacities a key factor in colonisation of new habitats in Australia?. *In: Neobiota: From Ecology to Conservation: Proceedings of the 4th European Conference on Biological Invasions, Vienna, 27-29.09.2006* (eds W Rabitsch, F Essl & F Klingenstein). *Neobiota* 7, 165-179 Neobiota, Berlin.

Stone LM, Byrne M, Virtue JG (2008). Identifying and managing environmental weed risk posed by perennial pastures developed for dryland salinity mitigation. *In: 2nd International Salinity Forum, Adelaide, 2008: Salinity, Water and Society, Global Issues, Local Action* pp. 1-4. Conference Organising Committee, Adelaide.

Van Heurck P, Manning J, Steele C, Middleton E, Muir G, Rinnhofer K (2007). Nuyts Wilderness beetles & fire (POSTER). *In: The Combined 8th Invertebrate Biodiversity & Conservation Conference 2007: Program and Abstracts: Queensland Museum, 2 -7 December 2007, Brisbane* 1 Conference Organising Committee, Brisbane.

Abstracts

Algar D, Richards J (2008). Sustained integrated predator control in the rangelands (ABSTRACT). *In: Proceedings of the 14th Australasian Vertebrate Pest Conference: Darwin, Australia, June 2008* (eds G Saunders & C Lane). 143 Vertebrate Pests Committee, Canberra.

Bougher N (2007). Conservation of ecosystems to conserve fungi to conserve ecosystems (POSTER ABSTRACT). *In: MedEcos XI: conference program, information & summary abstracts: the International Mediterranean Ecosystems Conference, Perth, Western Australia, Australia, Sunday 2-Wednesday 5 September 2007* 48 Conference Organising Committee, Perth.

Coates D (2008). *Phytophthora* dieback disease mitigation in Western Australia (ABSTRACT). *Australasian Plant Conservation* 16(4), 7-8

Coates DJ (2008). Species based approaches in plant conservation: understanding rarity and threat (ABSTRACT). *Australasian Plant Conservation* 16(4), 8

Cochrane A, Daws MI (2007). (No) Temperature limits to recruitment in montane SW Australian narrow range endemics (ABSTRACT). *In: Seed Ecology II: the 2nd International Society for Seed Science Meeting on Seeds and the Environment, Perth, Western Australia, Sunday 9-Thursday 13 September 2007: conference proceedings* (eds S Turner, D Merritt, S Clarke et al.). 1 Conference Organising Committee, Perth.

De Tores P (2008). Mesopredator release in the jarrah forest of south-west Western Australia (ABSTRACT). *In: Proceedings of the 14th Australasian Vertebrate Pest Conference: Darwin, Australia, June 2008* (eds G Saunders & C Lane). 66 Vertebrate Pests Committee, Canberra.

De Tores P, Marlow N, Algar D, Morris K, Glen A, Sutherland D et al. [Cruz J, Bryant G] (2007). Mesopredator release: a response to 1080 control of foxes in WA: what is the evidence and what are we doing (POSTER ABSTRACT). *In: ESA 2007, Program and Abstracts: Perth Convention and Exhibition Centre, Perth, Australia, 2007, Monday 26th November to Friday 30th November 2007* 186 Conference Organising Committee, Perth.

Dunne C (2008). A catchment approach to managing *Phytophthora* dieback in the Fitzgerald River National Park on the south coast of Western Australia (ABSTRACT). *Australasian Plant Conservation* 16(4), 10

Dunne C (2008). Managing the threat of *Phytophthora* dieback in Western Australia: a whole of community response (ABSTRACT). *Australasian Plant Conservation* 16(4), 10

Hilmer S, Algar D, Angus J, Schleucher E (2007). Impact of long term captivity on the physiology of the feral cat (*Felis catus*) (ABSTRACT). *In: 24th Annual Meeting of the Australian and New Zealand Society for Comparative Physiology and Biochemistry, University of Western Australia and Curtin University, Perth, December 1-2, 2007* 46 Curtin University of Technology, Department of Environmental Biology, Perth.

Johnston M, Algar D, Onus M, Hamilton N, Hilmer S, O'Donoghue M et al. (2008). Field trial of a new bait and toxicant for feral cat management on French Island, Victoria (ABSTRACT). *In: Proceedings of the 14th Australasian Vertebrate Pest Conference: Darwin, Australia, June 2008* (eds G Saunders & C Lane). 114 Vertebrate Pests Committee, Canberra.

Whitford KR, Faunt K, Swinburn M The impact of timber harvesting on the size, amount and decay status of large coarse woody debris on the jarrah (*Eucalyptus marginata*) forest (ABSTRACT). In: *Old Forests, New Management Conference, Hobart, Tasmania, 17-21 February 2008*

Whitford K, Stoneman G, Seymour A, Murray P The effects of cording, timber load and soil gravel content on soil compaction caused by timber harvesting in Western Australia. *Forest Ecology and Management*

Williams AAE, Williams MR, Atkins AF Notes on the life history of the western xenica *Geitoneura minyas* (Waterhouse & Lyell) (Lepidoptera: Nymphalidae: Satyrinae). *Australian Entomologist*

Wilson PG *Coronidium*, a new Australian genus in the Gnaphalieae (Asteraceae). *Muelleria*

Wilson PG A new subspecies of *Gnaphalium indutum* (Asteraceae: Gnaphalieae). *Nuytsia*

Wilson PG Notes on the genus *Chrysocephalum* (Angianthinae: Asteraceae) with the description of one new species from Western Australia and a new combination. *Nuytsia*

Wilson PG, Flann C Correct application of the name *Euchiton argentifolius* (Gnaphalieae: Asteraceae). *Taxon*

Wright L, Harding D Western Australia Department of Environment and Conservation, Library and Information Services. In: *Proceedings of the ALIES Conference*

Zhang S, Song J, Shepherd KA, Zhou X, Feng G, Zhang F Morphology and physiology of chloroplasts and chlorophyll in cotyledons of mature seeds of halophytes under salinity stress, northwest of China. *Plant Ecology*

New Science Project Plans

Project SPP 2008/001 - Establishing a baseline wet-land condition monitoring program for WA
Supervising Scientist: Adrian Pinder

Subject Area Contacts:

Biogeography Program Leader:
Stephen van Leeuwen
Stephen.VanLeeuwen@dec.wa.gov.au
Ph: 9405 5169

Fauna Conservation Program Leader:
Keith Morris
Keith.Morris@dec.wa.gov.au
Ph: 9405 5159

Flora Conservation & Herbarium Program Leader:
David Coates
David.Coates@dec.wa.gov.au
Ph: 9334 0490

Landscape Conservation Program Leader:
Lachie McCaw
Lachie.Mccaw@dec.wa.gov.au
Ph: 9771 7998

Marine Science Program Leader:
Chris Simpson
Chris.Simpson@dec.wa.gov.au
Ph: 9219 8761

Observatory Program Leader:
James Biggs
James.Biggs@dec.wa.gov.au
Ph: 9293 8255

Science Applications Program Leader:
Paul Gioia
Paul.Gioia@dec.wa.gov.au
Ph: 9334 0480

Science Support Program Leader:
Margaret Byrne
Margaret.Byrne@dec.wa.gov.au
Ph: 9334 0503

Library Contacts:

Lisa Wright, Woodvale
Lisa.Wright@dec.wa.gov.au
Ph: 9405 5132

Beng Siew Mahon, Herbarium
Beng.Mahon@dec.wa.gov.au
Ph: 9334 0494

Deborah Harding, Kensington
Deborah.Harding@dec.wa.gov.au
Ph: 9334 0324
