July 2013

Welcome to the Department of Parks and Wildlife's (formerly the Department of Environment and Conservation's) **WA Naturally Publications'** special North West edition newsletter. If you're lucky enough to be escaping the cold and heading to the beautiful North West of Western Australia, or simply looking for some good books this winter, we have some fascinating reads about the North West's special places, plants and animals - and we've discounted prices on selected titles making them fantastic value for money.

The Department of Parks and Wildlife's full range of books on WA are [available online](#) or at good book stores.

All purchases support the department's work to care for WA's natural environment.

If you have any feedback or suggestions to help improve our newsletter, or in regard to our products, please don't hesitate to let us know. If you wish to unsubscribe, please click the link at the bottom of the newsletter.

Happy reading and safe travels!

Kalbarri

Nestled between ruggedly beautiful river and coastal gorges and positioned by the river and sea, the Midwest township of Kalbarri is blessed with scenic beauty.

This book fills you in on Kalbarri's human history - from its original Aboriginal inhabitants through to early European explorers and modern-day development. It delves into the fascinating geology which shaped the spectacular gorges we admire today, and reveals something of the ancient creatures that once roamed here.

The book details some of the more common or interesting flora and fauna species you may encounter here, as well as its marine environment.

Finally, it provides information on the myriad ways you can explore Kalbarri and its natural wonders.

RRP \$29.95 **reduced to \$19.95**

North-West Bound: from the Batavia Coast to the Kimberley

This book covers the vast area between Perth and Wyndham, taking in parts of the Midwest, Murchison, Gascoyne, Pilbara and Kimberley regions of Western Australia.

North-West Bound takes you off the beaten track and to many of the major towns you will encounter along the way to the wilderness.

This book has been put together by the people that look after many of WA's most significant natural areas: staff of the Department of Parks and Wildlife. Call in to any Parks and Wildlife office during your travels for more information.

RRP \$29.95 **reduced to \$19.95**

Life along land's edge: Wildlife on the shores of Roebuck Bay, Broome

Roebuck Bay is one of only a dozen or so areas in the world with huge intertidal flats rich in shorebirds, attracting species from as far afield as Siberia. It lies at the receiving end of the most species rich of all shorebird flyways, and these shorebirds end up in the most biodiverse marine province in the world.

Life along land's edge: wildlife on the shores of Roebuck Bay, Broome explores the bay's special wildlife and the unique and colourful town of Broome alongside it.

Full of stunning photography.

RRP \$39.95 **reduced to \$29.95** (hard-cover)

Exploring Western Australia's natural wonders: national, marine and regional parks

Exploring Western Australia's natural wonders is a fantastic book for anyone visiting or travelling in WA, or for those who simply want to sit back at home and flick through the 327 pages to revel in information about, and photographs of, some of the state's most stunning scenery.

This book takes readers on a journey of discovery into Western Australia's top parks and reserves. It provides a region-by-region guide to 64 national parks, regional parks, conservation parks, nature reserves and marine parks across the state. They range from parks on the doorsteps of Perth, to those sprawled along the wild south coast or extending to WA's 'top end'.

RRP only \$39.95
