### Winter 2015

Welcome to the Department of Parks and Wildlife's *WA Naturally* publications newsletter.

We are pleased to announce the early release of the new [\*Parks and Campgrounds of Western Australia 2016 Calendar\*](#) presented by *LANDSCOPE* magazine, featuring stunning photographs of the State's natural areas. Purchase a copy to enter the draw to win one of two fantastic wilderness camping prizes.

Did you know? Western Australia's national and marine parks are the most visited tourist destinations in the State with more than 16 million visits in 2014–15... and with the beautiful warm weather of the State's north-west enticing an escape from the cold, there is a wonderful selection of large-format and pocket-sized guides available to help you plan your trip and learn more about the places you're visiting. You can even put over 150 of WA's parks in your pocket with the new [\*ParkFinder WA mobile app\*](#).

We have recently added two wonderful illustrations to our [collection of prints](#) and hope to add more illustrations and photographs in the near future. The entire *WA Naturally on display* collection is now available to download for free onto your desktop – just pick your favourite one!
