Subject: Winter Holiday Program 2023

December 2021

Welcome

day Program.

n was very busy and successful with many of our programs filling up quickly! Due to the popularity of

oughout the school holidays and we are excited to bring you our July school holiday program.

n the Autumn school holidays.

Questions or enquiries email knowyourpatch@dbca.wa.gov.au

Winter Holidays

Lets celebrate NAIDOC week these winter school holidays.

h jackets and gum boots - we are not going to let a bit of rain stop us from delivering

many programs as we can outside, so please keep that in mind when booking. Be pr

beaches, frogs, fungi and swamps!

C week in some of our programs these school holidays. (Kep Boodja, Maambakoort

Frog Forage' night walks at [Lightning swamp](#) this Friday 9th June and [Canning River E](#)

Regional park in the city of Joondalup. The wetlands attract heaps of birds and wildlife. A boardwalk is available for wrens, waterfowl, freshwater turtles and native water rats. Tiger snakes and dugites are also found here. Come and explore this beautiful place.

Covid-19 practices

In our community, we want to ensure the health and safety of our participants, staff and volunteers.

Health and while the circumstances may be frequently changing, we appreciate your patience and understanding while we navigate through the July school holidays.

Last season, which will provide an ease of mind if you are needing to cancel at the last minute due to a Covid-19 related reason. You can view the full policy on our website.

If you have been advised to isolate, are awaiting a Covid-19 test result or have a positive Covid-19 case, we ask that you do the right thing and not attend your session. If you have any Covid-19 symptoms for the health and safety of the other participants, staff and volunteers.
