Spring 2023

## Hop, skip and jump into the school holidays

Spring into Parks, a WA Parks Foundation signature initiative, celebrates our spectacular wilderness and access to nature. Supported by Lotterwest and with over 200 events to choose from, there's plenty to do during the school holidays and beyond.

Plus, why not test yourself by exploring our stunning parks and reserves with the 30-day Wellness Challenge. Feel the sand between your toes, find animal tracks, savor a sunset, and listen to the sounds around you.

So, what are you waiting for? Get your camera ready and explore our parks, your way. Download the [30 day challenge](#), enter the [Memorable Moments in Nature photo competition](#) and visit the [Spring into Parks calendar](#) for ways to consciously connect with nature.
