There are 100 national parks and 17 marine parks across 31 million hectares of Western Australian conservation estate of which 4.6 million is marine parks and reserves.

How many do you know? How many have you visited?

parks. Each week they will explore a different park, share stories and invite listeners to share their memories.

Tune in to [ABC radio](#) today at 3.30pm to hear Griffin Longley and Professor Lyn Beazley AO launch the *Park of the Week* series by discussing a special national park just outside of Perth.

Visit the [website](#) to find out more on this week's [#ourwapark](#) *Park of the Week*.

Get involved

Join *the Park of the Week* discussion and help us celebrate the start of spring by sharing your favourite park images on our [Facebook](#) page or by using #ourwaparks.

We'll be sharing lots of facts and park information across our social media in September, so please follow us online, and also share your own stories or activities to *ourwaparks* on Twitter, Facebook and Instagram.
