## **Park Feature – Karara Rangeland Park**

Travel to this park for an 'authentic outback experience' and uncover a long cultural and European history, with incredible wildflowers displays. [Read more.](#)

Before you go, check Park Alerts for track, trail, attraction, campground and park updates.

## Explore a Top Trail in the Wheatbelt

Recently crowned as one of Trails WA's Top Trails, the Woylie Walk in [Dryandra Woodland National Park](#) will take you on a journey through the largest remnant of native vegetation in the wheatbelt – and you might spot some native wildlife - like numbats - too!

## **Connect with Campground Hosts at Temple Gorge**

Campground Hosts are often the first people you meet when you arrive at your campsite and are a wealth of knowledge about the area. [Find out more.](#)

## Free maps for visiting parks in Australia's Golden Outback

Smartreka Maps, by [WA Parks Foundation](#), make it easier for you to navigate your way around some of Western Australia's national parks – without the internet.

### Before you go

Step 1 - Download the free Avenza Maps app from the [App Store](#) or [Google Play](#)

Step 2 - Download the free maps for these parks before your next adventure
