

3.15 Division 4—Licensing of Monumental Masons

Change “4” to “3”.

3.16 After sub-clause 7.17, insert new Clause to read—

7.18 Display of Trade Names on Memorials Not Allowed

A person shall not display any trade names or marks on a memorial.

3.17 Re-number existing clauses 7.18, 7.19, 7.20 and 7.21 accordingly.

3.18 7.18 Expiry Date, Non-Transferability

Delete “30th day of” and replace with “30”.

3.19 Insert new Clause to read—

7.23 Application for Single Monumental Work Permit

(1) The Board may on receipt of an application by a person in the form prescribed and on payment of a set fee, issue to an applicant a single monumental work permit authorizing the holder to place a monument within a cemetery subject to such conditions as the Board specifies on the permit.

(2) An application for a single monumental work permit under sub-clause (1) shall include an application for a monument work in the form prescribed.

PART 8—GENERAL**3.20 Clause 8.6 Unauthorised Advertising or Conduct of Business**

In the first line, after the words “trade or profession” insert the words “within a cemetery”.

Dated: 30 August 2018.

The Common Seal of the Shire of Bridgetown-Greenbushes was affixed by authority of a resolution of the Council in the presence of—

ANTONINO PRATICO, Shire President.
TIMOTHY CLYNCH, Chief Executive Officer.

CONSERVATION

CO301

WILDLIFE CONSERVATION ACT 1950**WILDLIFE CONSERVATION (RARE FLORA) NOTICE 2018**

Made by the Minister for Environment under section 23F(2) of the Act.

1. Citation

This notice may be cited as the *Wildlife Conservation (Rare Flora) Notice 2018*.

2. Interpretation

In this notice—

“*extant*” means known to be living in a wild state;

“*protected flora*” means any flora belonging to the classes of flora declared by the Minister under section 6 of the Act to be protected flora by notice published in the *Gazette* 9 October 1987, at p. 3855;

“*taxon*” includes any taxon that is described by a genus name and any other name or description.

Note: The plural form of “*taxon*” is “*taxa*”.

3. Declaration of rare flora

Subject to clause 4, protected flora—

- (a) specified in Schedule 1, being taxa that are extant and considered likely to become extinct or rare, as critically endangered flora, and therefore in need of special protection;
- (b) specified in Schedule 2, being taxa that are extant and considered likely to become extinct or rare, as endangered flora, and therefore in need of special protection;

- (c) specified in Schedule 3, being taxa that are extant and considered likely to become extinct or rare, as vulnerable flora, and therefore in need of special protection; and
- (d) specified in Schedule 4, being taxa that are presumed to be extinct in the wild and therefore in need of special protection,

are declared to be rare flora for the purposes of section 23F of the Act throughout the State.

4. Application

Clause 3 does not apply to those plants of a taxon of protected flora specified in Schedule 1, 2, 3 or 4 that have been planted for any purpose other than such plants that have been planted for the purpose of conservation of that taxon and in accordance with approval given by the Director General.

5. Revocation

The *Wildlife Conservation (Rare Flora) Notice 2017* is revoked.

Schedule 1—Flora that are considered likely to become extinct or rare, as critically endangered flora

Schedule 4—Flora presumed to be extinct

[cl. 3(d)]

Spermatophyta (flowering plants, conifers and cycads)

1. *Acacia kingiana*
2. *Acacia prismifolia*
3. *Coleanthera virgata*
4. *Conospermum caeruleum* subsp. *contortum*

5. *Frankenia decurrens*
6. *Lepidium drummondii*
7. *Leptomeria dielsiana*
8. *Leucopogon cryptanthus*
9. *Myriocephalus nudus*
10. *Picris compacta*
11. *Ptilotus caespitosus*
12. *Scholtzia* sp. Bickley (W.H. Loaring s.n. PERTH 06165184)
13. *Taraxacum cygnorum*
14. *Tetradthea fasciculata*
15. *Thomasia gardneri*

STEPHEN DAWSON, Minister for Environment.

WILDLIFE CONSERVATION ACT 1950

WILDLIFE CONSERVATION (SPECIALLY PROTECTED FAUNA) NOTICE 2018

Made by the Minister for Environment under section 14(4) of the Act.

1. Citation

This notice may be cited as the *Wildlife Conservation (Specially Protected Fauna) Notice 2018*.

2. Interpretation

In this notice—

“**taxon**” includes any taxon that is described by a family name or a genus name or any other name or description.

Note: The plural form of “taxon” is “taxa”.

3. Declaration of specially protected fauna

For the purposes of the Act, all taxa of the fauna—

- (a) specified in Schedule 1, being fauna that is rare or likely to become extinct, as critically endangered fauna, are declared to be fauna that is in need of special protection;
- (b) specified in Schedule 2, being fauna that is rare or likely to become extinct, as endangered fauna, are declared to be fauna that is in need of special protection;
- (c) specified in Schedule 3, being fauna that is rare or likely to become extinct, as vulnerable fauna, are declared to be fauna that is in need of special protection;
- (d) specified in Schedule 4, being fauna that is presumed to be extinct, are declared to be fauna that is in need of special protection;
- (e) specified in Schedule 5, being birds that are subject to international agreements relating to the protection of migratory birds, are declared to be fauna that is in need of special protection;
- (f) specified in Schedule 6, being fauna that are of special conservation need being species dependent on ongoing conservation intervention, are declared to be fauna that is in need of special protection; and
- (g) specified in Schedule 7, are declared to be fauna that is in need of special protection, otherwise than for the reasons mentioned in paragraphs (a), (b), (c), (d), (e) and (f).

4. Revocation

The *Wildlife Conservation (Specially Protected Fauna) Notice 2017* is revoked.

Schedule 1—Fauna that is rare or is likely to become extinct as critically endangered fauna

[cl. 3(a)]

Division 1—Critically Endangered Mammals

Scientific name	Common name
1. <i>Bettongia penicillata ogilbyi</i>	woylie, brush-tailed bettong
2. <i>Potorous gilbertii</i>	Gilbert's potoroo
3. <i>Pseudocheirus occidentalis</i>	western ringtail possum, ngwayir
4. <i>Zyzomys pedunculatus</i>	central rock-rat, antina
