

RESERVE ACTION SHEET: STATE FORESTS

STATE FOREST No. 65

LOCAL GOVERNMENT: Wanneroo

NAME: Gnangara-Moore River State Forest

PURPOSE: State Forest

VESTING: Conservation and Parks Commission

ACTION

Addition of Lot 520 on Deposited Plan 408857 into State Forest No. 65.

Total Area: 6,6142.5851 hectares

REASON FOR ACTION:

A portion of Higgins Road was requested to be closed to facilitate the operation of the Pinjar Rifle Range which had been constructed within State forest and over a portion of Higgins Road. The road was required to be closed and added to State forest as it is an offence under the *Firearms Act 1973* to discharge firearms into, from or across a road.

As an interim measure, to allow the Pinjar Rifle Range to open on schedule the Department of Planning, Lands and Heritage closed a portion of Higgins Road and transformed the portion of closed road into a Crown reserve with the purpose of 'Conservation and Rifle Range'. Crown Reserve 52830 would remain in place for two years whilst the Department undertook the necessary actions to add the area to State forest.

On 16 March 2018 an order was published in the Government Gazette adding the Lot 520 to State Forest No. 65. Under section 8, the order was required to be tabled to both Houses of Parliament for 14 sitting days and would be subject to disallowance. The order was tabled for the required 14 sitting days and no disallowance motion was raised.

The Department of Planning, Lands and Heritage closed Crown Reserve 52830 on 3 October 2018 and the land is now part of State Forest No. 65.
