CLASS "A" RESERVE 783

The abovementioned reserve shown coloured red on the enclosed print was set aside for the purpose of "Travellers and Stock; Resting Water Place, Stock Route and Common". In 1909 the reserve was placed under the control of the Shire of Irwin and in 1933 was classified Class "A".

The reserve now falls within the boundaries of the Shire of Morawa and is also subject to grazing lease 332/1817 to Antonio Franco and Raffaele Carna.

Departmental records reveal that a portion of this reserve was cleared approximately 35 years ago by a previous lessee and since then one of the conditions has been that cropping is allowed on the cleared portion only but no further clearing would be permitted.

Would you please advise whether or not your Department has any interest in this Reserve.

N. J. Smyth
EXECUTIVE DIRECTOR.
