

RESERVE ACTION SHEET - CONSERVATION RESERVES

RESERVE No. 10539

SHIRE: TRAYNING

REASON FOR ACTION

Creation of a new unclassified nature reserve, purpose "Conservation of Flora and Fauna", vested in the Conservation Commission. The reserve was previously vested in the Water and Rivers Commission for the purpose of "Water" The reserve was surplus to the needs of the Water and Rivers Commission and the AA Dam Review recommended vesting with the then National Parks and Nature Conservation Authority. A separate reserve (40914) was created over what was previously the northern half of the reserve. This reserve includes the Yelbin Golf Course and clubrooms.

A vegetation survey in 1992 showed the reserve contained woodland and heath vegetation worthy of conservation. The remnant also contained nest hollows which were being utilised by native birds.

Area: 52.9487 hectares
