

# RESERVE ACTION SHEET: CONSERVATION RESERVES

**RESERVE No.** 14014

**LOCAL GOVERNMENT:** Shire of Corrigin

**NAME:** Unnamed

**PURPOSE:** Conservation of Flora & Fauna **VESTING:** Conservation Commission of WA

**ACTION**

Change of purpose from "Water" to "Conservation of Flora & Fauna"

**TOTAL AREA:** 53.156ha

**REASON FOR ACTION**

Reserve 14014 was previously an unclassified reserve vested in the Water & Rivers Commission (WRC) for the purpose of "Water". It is one of many water reserves in the Wheatbelt Region that were identified several years ago as being surplus to the requirements of the water agencies. The reserve has high conservation value and the required approvals were received from the Shire of Corrigin and relevant Government agencies for the land to be added to the conservation reserve system. Action to amend the reserve was delayed until the native title issue was cleared by the Ward High Court decision. NOTE: DEC is liaising with DPI in regard to also adding adjoining Reserve 15411 ("School Site" – unvested – 2.0234ha) to Reserve 14014. This reserve is uncleared and has never been utilised for its purpose. As Reserve 15411 has never been vested, the issue of native title is currently preventing the change of purpose of this reserve and vesting in the CCWA.

**Date of amendment:** 23/08/2006
