DIRECTOR
DEPARTMENT OF FISHERIES AND
WILDLIFE

I refer to previous correspondence and advise for your information that the necessary Reserve Bill action to change the purpose of Reserve No. 14569 from "Water" to "Conservation of Flora and Fauna" has been completed. A notice to this effect was published in the Government Gazette dated January 18, 1985, a copy of which is enclosed.

Action will now be taken to issue a joint Vesting Order over this reserve and you will be further advised accordingly.
