and Land Management  
State Operations Headquarters  
50 Hayman Road  
COMO CDO

During re-examination of Lands and Surveys Diagram 74082 it was discovered that a distance shown on the diagram had been incorrectly calculated and consequently the area of Reserve 30628, and its excision from Reserve 16405, was incorrect.

Therefore Executive Council has approved of the amendment of:-

- a) Reserve No. 30628 (Avon District) "Site for Club and Club Premises" to comprise Avon Location 28374 and of its area being reduced to 4.0013 hectares.
- b) Reserve No. 16405 (Avon Locations 9059 and 27973) "Water Supply and Conservation of Flora and Fauna" to agree with recalculation of area and of its area being increased to 629.3123 hectares.

Notice to this effect was published in the Government Gazette of May 31 1985 and enclosed is a print of Lands and Surveys Diagram 74082 as amended.

Please accept my apologies for any inconvenience caused by my delay in advising you.
