SUBJECT:.....KULYALING TOWNSITE.....(Reserve 39379)

Could you please enquire as to why that part of Kulyaling Townsite to the east of Light Street was not included in the new Nature Reserve. As was detailed in my survey report of August 15, 1984, this area of undeveloped bush contains diverse vegetation, not represented on the remainder of the reserve, and adds considerable conservation value for flora and fauna, in addition to the protection of the Avon River watercourse.

Can an application be made to have this area included in the Reserve.
