**RESERVE No.** 40642

**LOCAL GOVERNMENT:** York

**NAME:**

**PURPOSE:** Conservation of Flora and Fauna      **CLASS:** C

**VESTING:** Conservation and Parks Commission

### ACTION

Excision of Lot 511 on Deposited Plan 410752, being 0.4773 hectares from Reserve 40642, to re-open a formerly closed portion of Whitfield Street.

**Total Area:** 16.3452 to 15.8679 hectares

### REASON FOR ACTION:

The Shire of York requested the excision of 0.4773 hectares from Reserve 40642, known as Mount Hardy Nature Reserve to facilitate the re-opening of Whitfield Street. Whitfield Street, a well gravelled track had been closed and previously added to the nature reserve. As the track had not been revegetated property owners had continued to use the closed portion of Whitfield Road to access their lots, driving around the 'closed road' sign. The Shire were seeking to reopen the street to provide a safer access to the properties in the Mount Hardy townsite and formalise the situation occurring on site.

The proposed excision from Mount Hardy Nature Reserve was finalised on 23 April 2020 and the excised portion of nature reserve has now been dedicated as Whitfield Road.
