

RESERVE ACTION SHEET - CONSERVATION RESERVES

RESERVE No. 42379

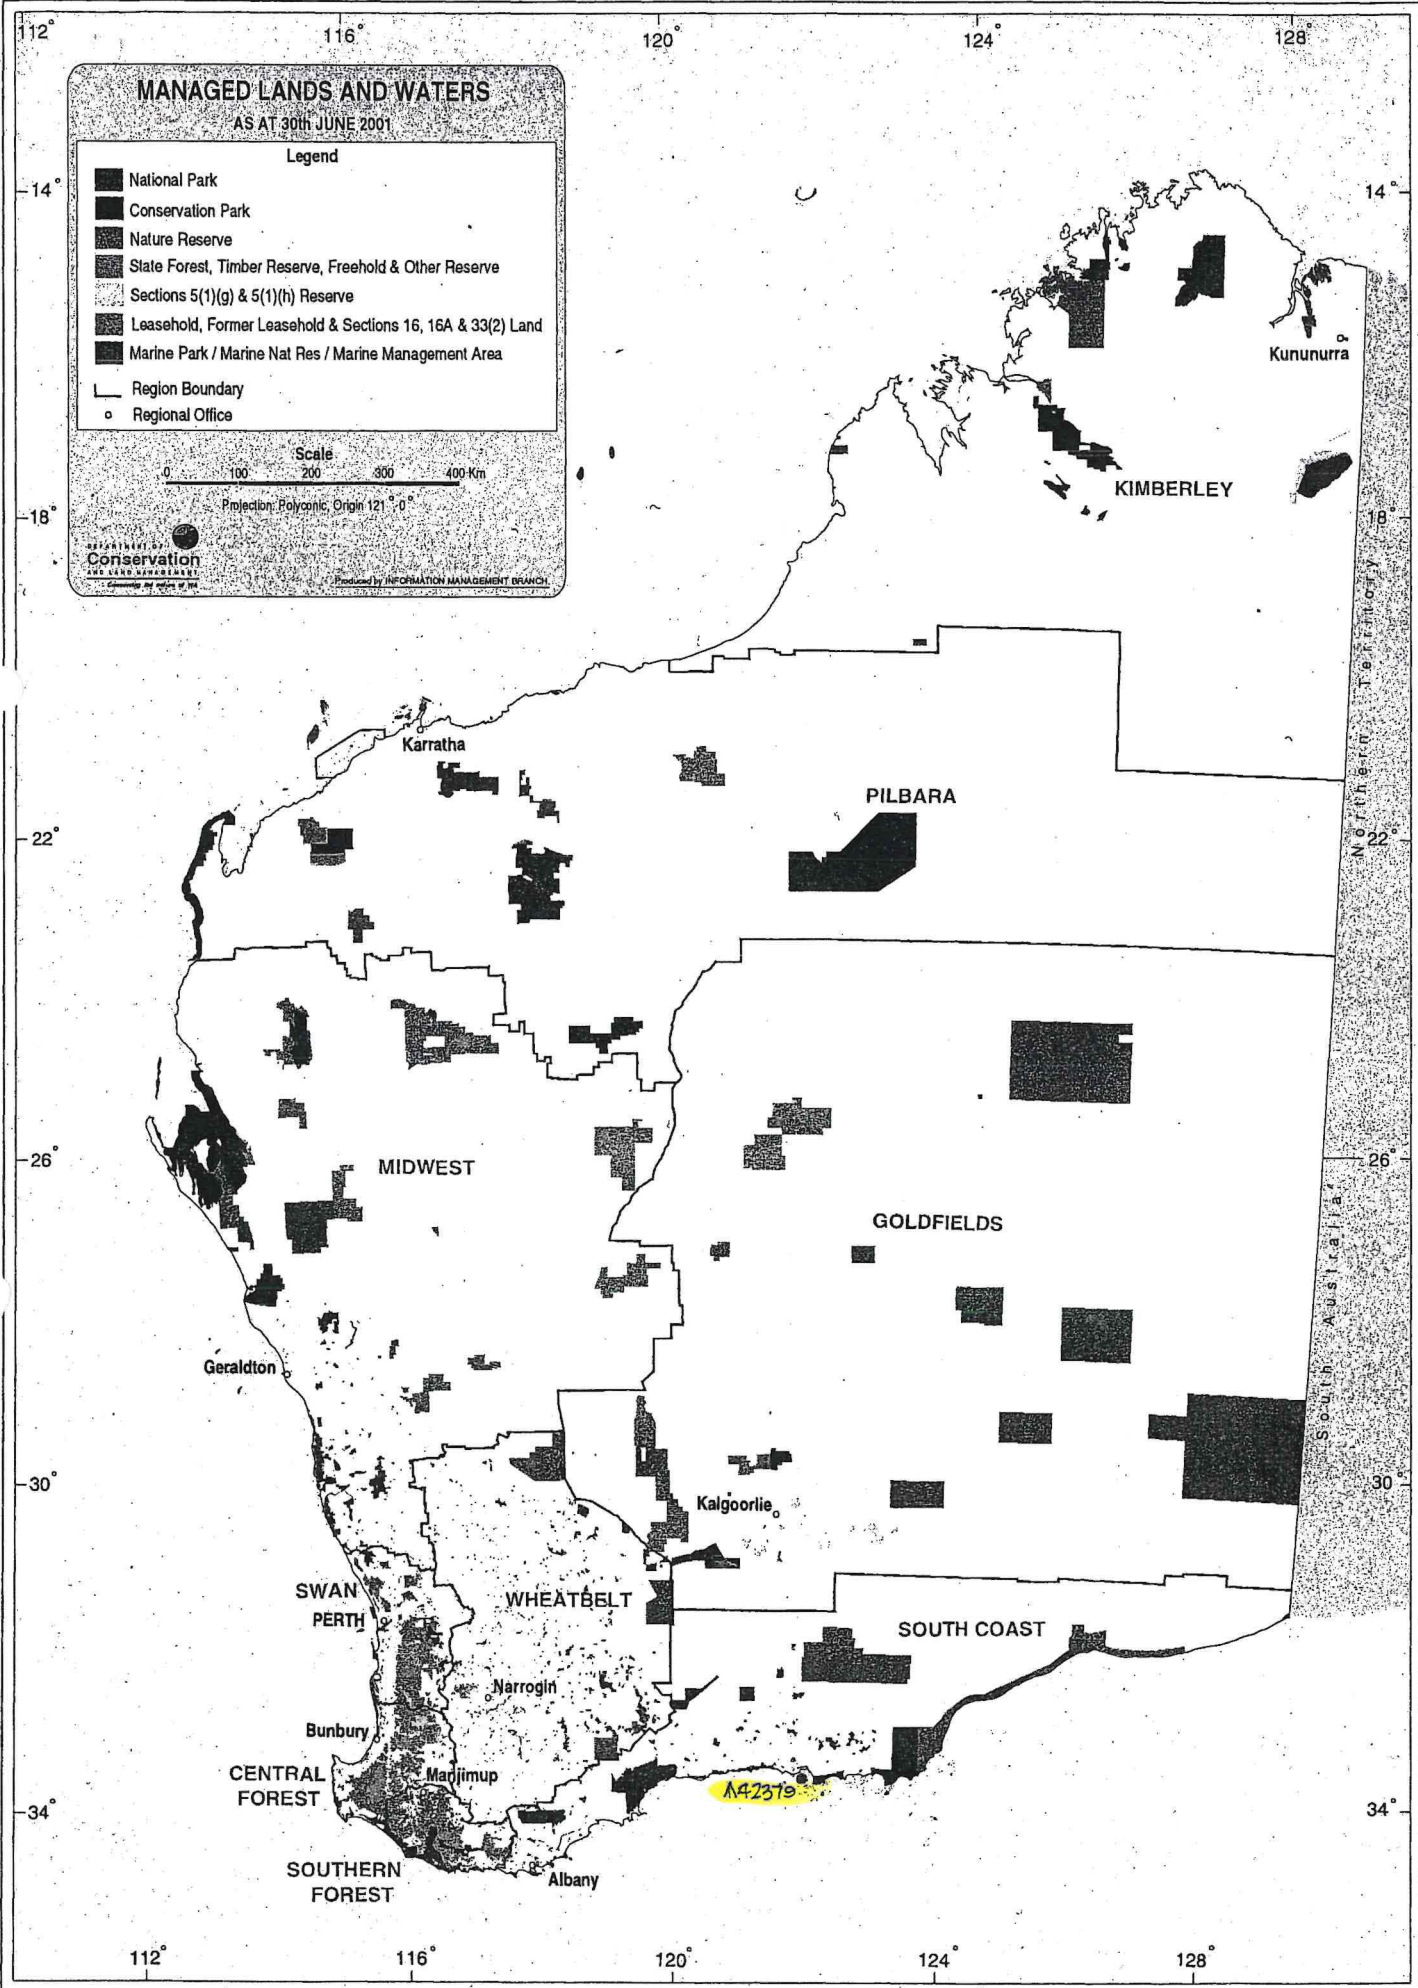

REASON FOR ACTION

The creation of a 5(1)(h) reserve with a management order issued to the Conservation Commission for the purpose 'Conservation, Navigation, Communication, Meteorology and Survey'.
 Area: 0.04 hectares

Due to increasing use of satellite aided navigation and AMSA'S desire to rationalise it's property holdings the Commonwealth has been divesting properties containing lighthouses and marine navigational aids. Reserve 42379 on Cull Island is a former AMSA property which will be leased back to AMSA to permit continued operation of lighthouse facilities
