

RESERVE ACTION SHEET: CONSERVATION RESERVES

RESERVE No. 46213

LOCAL GOVERNMENT: Shire of Dardanup

NAME: Wellington National Park

PURPOSE: National Park

VESTING: Conservation Commission

ACTION

Amendment of reserve to now consist of Lots 3500, 3501, 3502 and 3503 on Deposited Plan 56282 and Lots 502 and 503 on Deposited Plan 53623.

Total Area: 17420.02 to 17415.00ha

REASON FOR ACTION

DEC is rationalising the tenure of roads within Wellington National Park. To facilitate this rationalisation a total area of 5.0148 ha was excised from Wellington National Park. The excision formalised the boundaries of King Tree Road and created a road reserve for Pile Road.

An excision of 0.8691 ha was required to rationalise the existing road reserve for King Tree Road.

To create and dedicate Pile Road Wellington National Park and Wellington Discovery Centre (Class A, Reserve 48049) were redescribed. As a result of the redescription Wellington National Park's area decreased by 4.1457 ha.

Date of amendment: 23/8/11
