

RESERVE ACTION SHEET - CONSERVATION RESERVES

RESERVE No. 46595

REASON FOR ACTION

The creation of a reserve for the purpose of "Conservation of Flora & Fauna". The reserve is automatically vested with the Conservation Commission under Section 7(2) of the CALM Act.

Area: 40.1151 hectares

The reserve was created from Reserves 11779 and 28495 (previously vested in the Shire of Williams), an unused road reserve and Town Lot 1. The proposal for the reserve creation resulted from a recommendation by an interested local.

The reserve contains good condition wandoo and marri woodland. The reserve has diverse vegetation as it is close to the transition zone between the jarrah forest and the wheatbelt vegetation systems.
