

# RESERVE ACTION SHEET: CONSERVATION RESERVES

**RESERVE No.** 50792

**LOCAL GOVERNMENT:** Shire of Esperance

**NAME:** Unnamed 5(1)(h) Reserve

**PURPOSE:** Conservation and Recreation

**VESTING:** Conservation Commission of Western Australia

**ACTION**

Originally excised from Reserve 30672 for the creation of Reserve with purpose of "Conservation and Recreation". Management Order to Conservation Commission of Western Australia with the power to lease.

**Total Area:** 236.097 hectares

**REASON FOR ACTION**

The department originally supported the formal gazettal of the water ski area on Lake Quallilup (within Reserve 50792) as it was seen as a better alternative (the lake is bigger and deeper and supports considerably less waterbirds) to Woody Lake Nature Reserve which immediately abuts the Esperance townsite.

Lake Quallilup has high conservation values and is an important component of the Lake Gore RAMSAR system, which is a potential future Natural Diversity Recovery Catchment under the State Salinity Action Plan.

**Date of amendment:** 01/12/2010

**Maps:** 62

**Customer advice:** 58

**Proposal Summary:** 22-23

**IUCN classification:** II
