

RESERVE ACTION SHEET: CONSERVATION RESERVES

RESERVE No. 51122

LOCAL GOVERNMENT: Shire of Trayning

NAME: un-named section 5(1)(h) reserve

PURPOSE: Conservation

VESTING: Conservation Commission

ACTION

Creation of Reserve 51122, being Lot 311 on Deposited Plan 72943, formally part Reserve 14339.

Total Area: 3.0464ha

REASON FOR ACTION

In 1992 the Shire of Trayning undertook an expansion of Yelbeni Rubbish Disposal Site. The rubbish disposal site is contained within Crown Reserve No. 21184 and is adjacent to Yelbeni Nature Reserve. As part of the expansion, the Shire undertook clearing along the southern boundary of the rubbish disposal site. This expansion encroached on Yelbeni Nature Reserves and approximately 1.7ha of the nature reserve was degraded.

To facilitate the excision of the degraded area and an expansion north of the existing rubbish disposal site, the Shire requested the excision of approximately 3.39ha from Yelbeni Nature Reserve. The excision will rationalise the boundary of Crown Reserve No. 21184 and provide a buffer between the nature reserve and the rubbish disposal site.

A 3.04 hectare portion of Crown Reserve No. 14339 was transferred to the Conservation Commission as part of an offset for the proposed clearing and excision. On 27 March 2013 a section 5(1)(h) reserve with the purpose of conservation. The new Crown Reserve's No. is 51122.
