

RESERVE ACTION SHEET: CONSERVATION RESERVES

RESERVE No. 51272

LOCAL GOVERNMENT: Shire of Dandaragan

NAME: Unnamed Conservation Park

PURPOSE: Conservation Park

VESTING: Conservation Commission of Western Australia

ACTION

Reserve creation for the purpose of "Conservation Park".

Total Area: 40.4686 hectares

REASON FOR ACTION

Freehold Lot 3860 on Deposited Plan 17663 was purchased on 12 November 2001 for addition to Leseur National Park. The Lot was identified in the *Lesueur National Park and Coomaloo Nature Reserve Management Plan* of 1995 because it would rationalise the national parks boundary. The Department of Mines and Petroleum opposed addition of the Lot to the national park because of the potential for coal and coal-seam methane. Subsequent negotiations concluded with DMP agreeing to an unclassified conservation park tenure.

Date of amendment: 19/09/2012
