

RESERVE ACTION SHEET: CONSERVATION RESERVES

RESERVE No. 16584

LOCAL GOVERNMENT: Beverley

NAME :

PURPOSE: Conservation of Flora and Fauna

VESTING: Conservation and Parks Commission

ACTION

Creation of a nature reserve over Lot 303 on Deposited Plan 403418, Lot 43 on Deposited Plan 116094 and Lot 62 on Deposited Plan 214173.

Total Area: 140.94 hectares

REASON FOR ACTION:

In October 2010 the Department of Water identified that Reserve 16584 (purpose of 'Water') was considered surplus to their requirements. The Department of Environment and Conservation was invited to accept management of this reserve for conservation purposes.

Reserve 16584 is part of an identified Threatened Ecological Community, contains identified sites of Priority one, two and three flora as well as Red Morel, Banksias, White Gum and Salmon Gum woodlands, Melaleuca Thickets and Sandplain Heath. The Department of Environment and Conservation and then Department of Parks and Wildlife expressed an interest in seeking management of this reserve and a 2.2 hectare portion of unused road reserve (One Chain Road).

In December 2013 the Department of Mines and Petroleum agreed to the transfer and in August 2014 the Shire requested the Department of Lands to close One Chain Road.

On 23 July 2016 The Department of Lands undertook the necessary actions to finalise the closure of One Chain Road and to transfer the closed road and Reserve 16584 to the Conservation and Parks Commission as a nature reserve.
