**SUBJECT:** PROPOSED EXCISION OF LAND FROM PARRY LAGOONS NATURE RESERVE 42155 FOR UPGRADES TO THE GREAT NORTHERN HIGHWAY *Mau 4/8/17*

Please find attached a draft note seeking the Conservation and Parks Commission's (Commission) support for the excision of 13.43 hectares of land from the unclassified Parry Lagoons Nature Reserve No. 42155.

As you are aware, the Director of the Commission has delegated authority to endorse minor changes to the conservation estate, including items such as road reserve creation or amalgamation. The Director may also refer these matters to the Chair or to a Commission meeting if he so desires.

The attached proposal appears to meet the criteria for delegation approved by the Commission at its meeting on 8 March 2010.

If this proposal is not dealt with under delegated authority then I seek submittal of this matter to the Commission's meeting of Friday 18 August 2017, with submission deadline of Wednesday 9 August 2017. For your approval and forwarding to the Commission for the Director's consideration please.

| Summary:                   | <p>Main Roads WA has requested the excision of 13.43 hectares from Parry Lagoons Nature Reserve (Reserve No. 42155). The reserve is unclassified and vested in the Conservation and Parks Commission. The reserve is located between Kununurra and Wyndham in the north-eastern Kimberley. The total area of the nature reserve is 35,914.25 hectares and the excision is about 0.04% of the total.</p> <p>Main Roads has requested the excision so that a curve in the Great Northern Highway can be realigned to improve road safety. A locality map and Main Roads engineering diagram depicting the excision area is at Attachment 1. Main Roads is not offering any additional land to compensate for the excision from the nature reserve. Parks and Wildlife's Kimberley Region has endorsed the proposal and advises that no listed flora or fauna will be affected.</p> |                                     |
