

RESERVE ACTION SHEET: CONSERVATION RESERVES

RESERVE No. 51944

LOCAL GOVERNMENT: Shire of Murray

NAME: un-named section 5(1)(h) reserve

PURPOSE: Conservation

VESTING: Conservation Commission

ACTION

Creation of Reserve over Lot 14 on Deposited Plan 61368.

Total Area: 80.1089 hectares

REASON FOR ACTION

In September 2009 Main Roads completed the construction of the Forrest Highway and upgrades to Kwinana Freeway, known as the Perth to Bunbury Highway project. As part of this project Main Roads was required to supply two environmental offsets under the Commonwealth's *Environmental Protection and Biodiversity Conservation Act 1999 (EPBC Act)*. Main Roads purchased Lot 100 on Deposited Plan 77802, now Reserve 51943, and Lot 14 on Deposited Plan 61368, now Reserve 51944 to meet their requirements under the EPBC Act.

The Department of Mines and Petroleum has requested that the reserves be limited to a depth of 200 metres below the natural surface. No depth limit was added to the management order of either reserve by the Department of Lands (page 1).

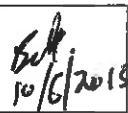

Date of amendment: 10/4/15
