

RESERVE ACTION SHEET: CONSERVATION RESERVES

RESERVE No. 52018

LOCAL GOVERNMENT: Shire of Wickepin

NAME: un-named section 5(1)(h) reserve

PURPOSE: Conservation and Revegetation

VESTING: Conservation Commission

ACTION

Creation of reserve over Lot 14345 on Deposited Plan 151499 and Lot 3 on Deposited Plan 64325.

Total Area: 151.1765 hectares

REASON FOR ACTION

In 2009 the Department purchased Lot 3 on Deposited Plan 64325 to protect the hydrology of nearby Lake Toolibin, a large freshwater lake and a listed RAMSAR site which is under threat from salinity. A reserve was created over the purchased Lot 3 and Reserve 19686 (Lot 14345) as part of the recovery plan. The Department is proposing to revegetate salt affected areas of Reserve 52018 and provide upstream protection to Lake Toolibin.
