

# DEPARTMENT OF FISHERIES AND FAUNA

## PROTECT OUR NATIVE FAUNA

### GREY KANGAROOS

THE MAP SHOWS THE AREAS WHERE GREY KANGAROOS ARE PROTECTED IN CERTAIN AREAS OF THE STATE. THESE SPACES HAVE BEEN DECLARED PROTECTED SO THAT WE CAN CONSERVE THEIR EXISTENCE IN OUR FAST DEVELOPING COUNTRYSIDE.

### REMEMBER

THE KANGAROO AND THE EMU CONSTITUTE OUR NATIONAL SYMBOLS. AS WE PROTECT OUR NATION WE MUST ALSO PROTECT THE WELFARE IN IT. PROTECTION HAS BEEN GRANTED TO THESE TWO MOST IMPORTANT SPECIES. HOWEVER, PROTECTION REQUIRES THE CO-OPERATION OF THE PUBLIC TO BE EFFECTIVE. THESE WILD SPECIES ARE PART OF OUR HERITAGE AND THEY MUST BE PRESERVED.

### EMUS

THIS MAP SHOWS THE AREAS WHERE EMUS ARE PROTECTED. THE CLOSER AREA IS MARKED IN DIAGONAL GREEN LINES. THE ONLY SPACES WHERE EMUS CAN BE TAKEN, IN THIS PORTION OF OUR STATE, ARE SHOWN IN RED.
