

A black and white photograph of a palm tree in a field of tall grass. The palm tree has a thick, dark trunk and a large, fan-shaped crown of fronds. To the left of the trunk, a white rectangular marker is attached to the tree with two horizontal lines, containing the text "B 2". The foreground is filled with tall, thin grasses. In the background, there are other trees and a large, horizontal branch extending across the frame. The overall scene appears to be a natural, possibly research, setting.
