ENVIRONMENTAL WEEDS ACTION NETWORK

Informational display board for the Environmental Weeds Action Network. It features several photographs of various weeds and plants, along with text panels. One prominent panel is titled "The Saint Gregory" and includes a small illustration of a plant. Other panels contain descriptive text and smaller images related to environmental weed management.

A woman in a white polo shirt is speaking into a microphone at a wooden podium. She is smiling and appears to be addressing the audience.

A woman wearing a red patterned top is seated behind the podium, looking towards the speaker.

A woman wearing a wide-brimmed straw hat is seated behind the podium, looking towards the speaker.

An audience of people is seated in the foreground, viewed from behind. They are listening to the presentation. The audience includes men and women of various ages, some wearing light-colored shirts and others in more casual attire.
