A black and white photograph of a woman with short, light-colored hair, smiling and standing next to a large rectangular sign. She is wearing a t-shirt with a graphic design and dark pants. She has sunglasses in her left hand. The sign is mounted on two wooden posts and contains text about a bushland rehabilitation project. The background consists of dense, dry-looking vegetation, including a large spiky plant on the left. Several diagonal red lines are drawn across the top and right side of the image.
