### **New Look to old Buildings @ Harvey Work Centre**

Administration Officers, Carmel Baggetta and Angie Doust take a verandah break from routine office duties in the soon to be completed Harvey CALM Office.

The district office has been given a bit of an overhaul. Verandahs, meeting rooms and shared facilities with the Forest Resources Business unit - all featuring native and plantation timbers.

The old Inventory and Planning Office on the hill was relocated to the side of the HQ, ramps and verandahs enable wheelchair access. The overall atmosphere is one of space and coolness, a place for most things and people.

"It's not finished yet" says District Manager Drew Griffiths, "and we're looking to combine a CALM event with a bit of an opening. It's been a good example of CALM's integration. We have been able to do this in partnership with Kevin Haylock's commitment and resources and some Mornington District recoup projects. We're also putting the finishing touches to our new look, mezzanine style store after it was destroyed by fire .

Things are functioning now and we're all looking forward to when the last detailing is complete."
