1992 Yan chep Nat Park -

The Sneekers' first band to play
on North oval at Yan chep Nat Park
(organised by myself ~ Greg Hale)

District Manager Alan Briggs
thought it was a good idea.

I had resistance from the brain

dead Rangers in the Park ~ How dare
an outsider (and not in their union!)
come up with an idea! they didn't

like their quiet, lazy routine being
interrupted! By 1994 I had

John Hammond (USA) playing.

(John played with Dylan - Hendrix)
in his career.

I organised the "SNEEKERS"
to play twice in Yankee Park.
1993 and 1994 (with John
Hammond).
