York gum
near York
26 Oct 20

Prof Wilson

York Gum

Note: Raspberry Jam (*Ac. acuminata*)
fence posts. Two trees of this species
are seen in the photo - one immediately
behind the telephone pole and the other
2 behind and just to the right of
the man standing at the foot of the
tree.

20/6/69.

The small trees or mallee all appear
to be young York Gums.
