ACCIDENT PREVENTION

On 22 September, 1978 the Forests Department was awarded the C.M.L. Trophy for industrial safety in Western Australia. The presentation was made by the Honourable the Premier of Western Australia. Subsequently the Department was named the winner of the C.M.L. National Award and Trophy for the foremost performance in industrial Safety in Australia for 1978, which is particularly pleasing as this was the inaugural award

being only WA recipient
