M29.1 Regional park recommendations be applied to this area.

Implementation Progressing

This area is being considered as part of the Darling Range Regional Park study coordinated by the Department of Planning and Urban Development.  
The Regional Parks Task Force report also lists Darling Range as a proposed regional park.  
CALM's 1992 draft Forests Strategy recommends that this part of the regional park be a conservation park.

METROPOLITAN REGION PLANNING  
AUTHORITY

RE: PROPOSED ROAD CLOSURES

This Department has approved of the request by the Shire of Mundaring, to close the roads shown coloured blue on the attached print.

The land in the closed roads, excepting Section AB, is offered to the M.R.P.A. for the purchase price of \$100.00.

You will notice that Section AB abutts "Recreation" Reserve No. 8120, which is vested in favour of the Shire of Mundaring. Accordingly, this section can be offered to the M.R.P.A. (at no additional cost) or can be included in that reserve. The Shire of Mundaring has been requested to liaise with you direct in an effort to determine the future of the subject section of road.

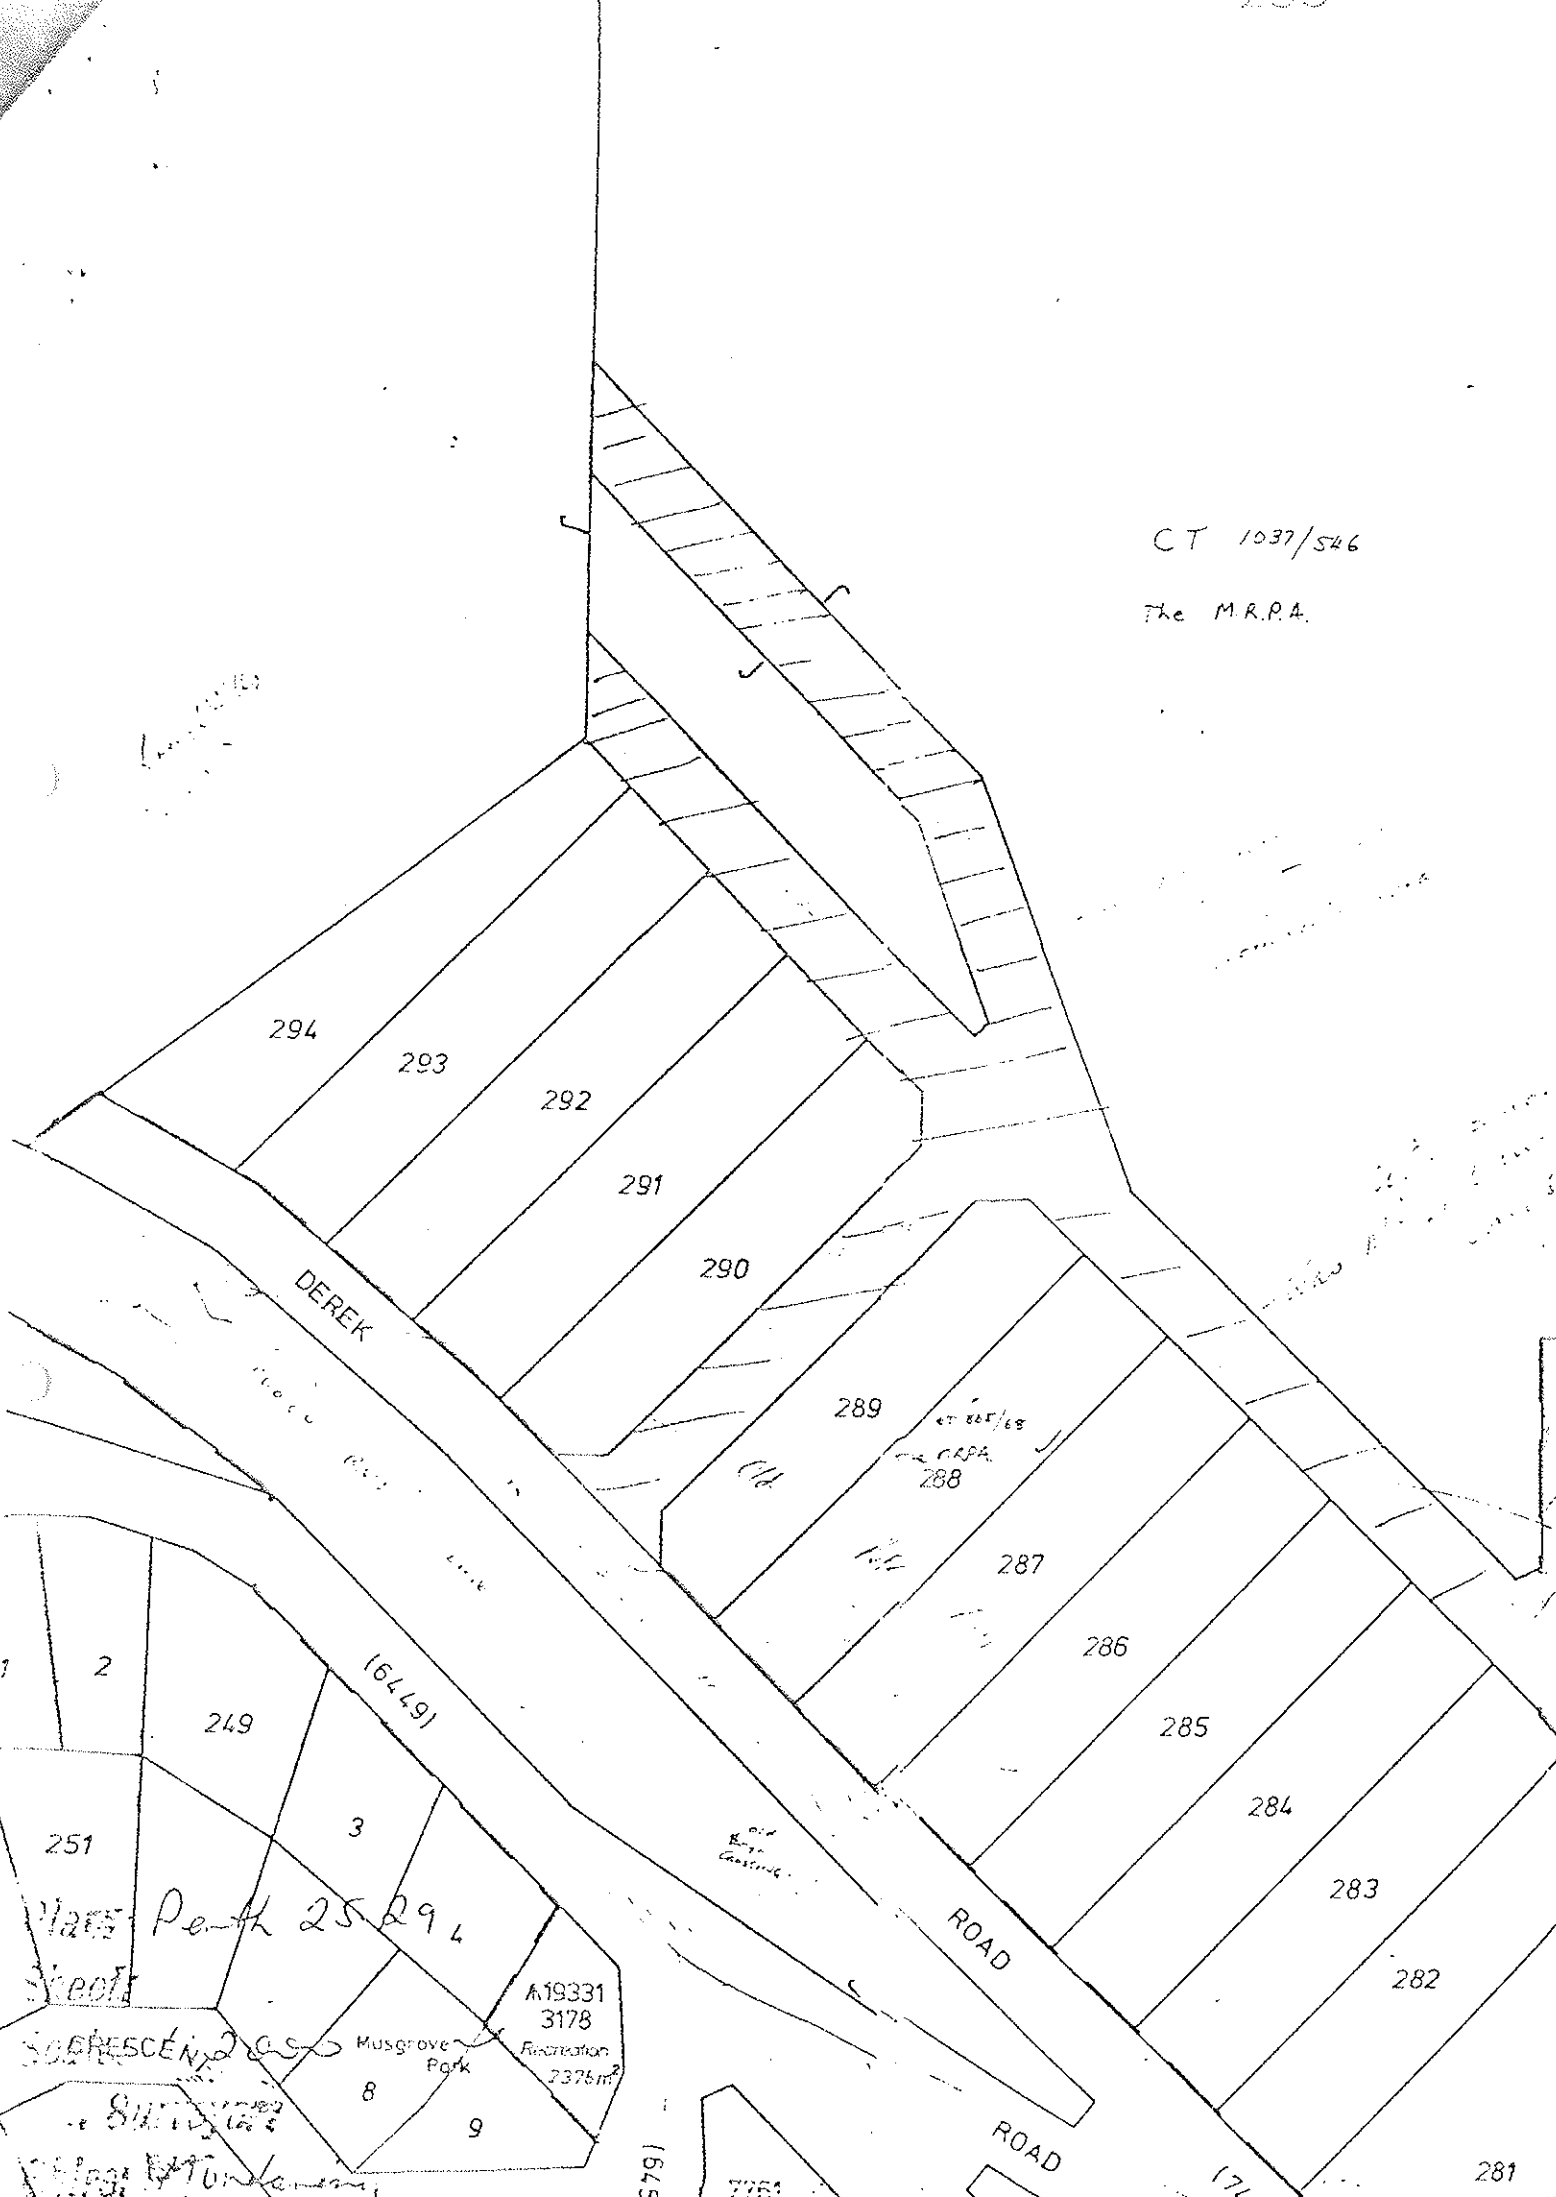

When the above matter has been resolved, please advise this Department in order that closure and disposal action may proceed.
