Notes	

<b>M60 Aquatic Reserve, South Perth</b> City of South Perth Management Plan (&M61,52) <i>Robert Powell 1/27</i>		
M60.1 Regional park recommendations be applied to this area.	Unresolved Issues	The Regional Parks Task Force Report proposes that the Swan Estuary be considered analogous to a regional park managed under Swan River Trust legislation. The Swan River Management Strategy (1988) recommends that all the foreshore reserves and waterways of the Swan Canning Rivers be treated as a single entity for the purposes of planning and management. However, areas of high conservation value may be added to CALM's existing Swan Estuary Marine Park estate.
M60.2 Area of water adjacent to Reserves C21483, C33303, and C33304 shown in Figure 128, System 6 Red Book, be declared "A" Class Reserve for Conservation of Flora and Fauna and be vested in NPNC.	Implemented	Forms part of the Swan Estuary Marine Park managed by CALM.  Milyu Nature Reserve Rehabilitation Committee has an interest in this area.
<b>M61 Aquatic Reserve, Attadale</b> City of South Perth Management Plan		
M61.1 Regional park recommendations be applied to this area.	Unresolved Issues	The Regional Parks Task Force Report proposes that the Swan Estuary be considered analogous to a regional park managed under Swan River Trust legislation. The Swan River Management Strategy (1988) recommends that all the foreshore reserves and waterways of the Swan Canning Rivers be treated as a single entity for the purposes of planning and management. However, areas of high conservation value may be added to CALM's existing Swan Estuary Marine Park estate.
M61.2 Area of water in Point Waylen and Alfred Cove shown in Figure 129, System 6 Red Book be declared "A" Class Reserve for Conservation of Flora and Fauna, and Reserve be vested in NPNC.	Implemented	Forms part of the Swan Estuary Marine Park managed by CALM.
M61.3 CALM to consult Swan River Management Authority and Dept of Marine and Harbours in preparation of management plan.	Unresolved Issues	To be completed through CALM's Management Plan process. No current programme for developing a management plan.
<b>M62 Pelican Point, Crawley</b> City of South Perth Management Plan		

PB CALM Management Plan

LM M61 Environ. Man. Class 1968 Management Plan.

PP Aust Sig Wetlands

M62.1 Regional park recommendations be applied to this area.	Unresolved Issues	The Regional Parks Task Force Report proposes that the Swan Estuary be considered analogous to a regional park managed under Swan River Trust legislation. The Swan River Management Strategy (1988) recommends that all the foreshore reserves and waterways of the Swan Canning Rivers be treated as a single entity for the purposes of planning and management. However, areas of high conservation value may be added to CALM's existing Swan Estuary Marine Park estate.
M62.2 Purpose of Reserve A17375 be amended to Conservation of Flora and Fauna, and Recreation and be vested in NPNCAs.	Implemented	Forms part of the Swan Estuary Marine Park managed by CALM.
M62.3 Area of water, shown in Figure 130, System 6 Red Book be added to Reserve A17375.	Implemented	Forms part of the Swan Estuary Marine Park managed by CALM.
M62.4 CALM to consult Swan River Management Trust and Dept of Marine and Harbours in preparation of management plan.	Unresolved Issues	To be completed through CALM's Management Plan process. No current programme for developing a management plan.
